House Bill 57 (Delegate S. Howard)  
Health and Government Operations

---

**General Provisions - Commemorative Days - Watermen's Day**

---

This bill requires the Governor to annually proclaim the last day of winter (the day before the spring equinox) as Watermen's Day.

---

**Fiscal Summary**

**State Effect:** Commemorating Watermen's Day does not affect State finances.

**Local Effect:** None.

**Small Business Effect:** None.

---

**Analysis**

**Current Law:** Sixteen official commemorative days, six months and one week are recognized in State law, as shown in **Exhibit 1**. The Governor also must issue a proclamation each year encouraging citizens and other individuals to observe a moment of silence at 3:00 p.m. on Memorial Day to unite in remembrance and commemorate the heroic acts and efforts of Marylanders who have served and died in the U.S. Armed Forces.

**Background:** Watermen of the Chesapeake Bay harvest many species of seafood in different seasons, including blue crabs in summer, oysters in fall, and striped bass and perch in winter. Some watermen clam year round while others harvest crabs and oysters. Some watermen take out fishing parties in the summer and commercial fish in the winter. Most watermen have the equipment and gear necessary to do all of the above. According to the Department of Natural Resources, as of December 2016, for the 2016-2017 license year there were 5,385 licensed watermen in the State (this number excludes temporary transfers, guides, and dealers).
