Article III, § 35 of the Maryland Constitution prohibits the salary or compensation of any public officer from being increased or diminished during the individual's term of office, except those whose full term is fixed by law in excess of four years.

Local Expenditures: St. Mary's County expenditures increase by \$38,011 in fiscal 2019 and by \$76,021 annually thereafter. Although the bill specifies that the salaries of the Sheriff and the Treasurer are for calendar 2018, pursuant to constitutional requirements, the salaries are not altered until the next terms of offices, which are estimated to commence in January 2019. Accordingly, the estimate accounts for all increases taking effect in January 2019, includes fringe benefits, and is based on the current salaries for a lieutenant colonel of DSP at Step 12 (\$128,219) and circuit court judge (\$154,433).
