Pursuant to § 2-501 of the Courts and Judicial Proceedings Article, the judges of the circuit court for a county may employ staff, as specified and necessary, to conduct the business of the court, including secretaries and law clerks. The circuit court employees are entitled to compensation as provided in the appropriate budget. Section 2-512 of the Courts and

Judicial Proceedings Article also specifically states that each circuit court judge must have one law clerk, who is employed by the State. The budget for the Administrative Office of the Courts must include funds to employ one law clerk for each circuit court judge.

**Background:** St. Mary's County advises that the bill is intended to repeal provisions of local law that have since become obsolete due to the provisions of the Courts and Judicial Proceedings Article as specified above.
