18 You may elect to have a consumer reporting agency place a security freeze on your credit report by written request sent by certified mail-for by electronic mail or the Internet 19 if the consumer reporting agency provides a secure electronic connection **] OR BY USING** A 2021 SECURE CONNECTION ON THE WEBSITE OF A CONSUMER REPORTING AGENCY. The consumer reporting agency must place a security freeze on your credit report within 3 2223business days after your request is received. Within 5 business days after a security freeze 24is placed on your credit report, you will be provided with a unique personal identification number or password to use if you want to remove the security freeze or temporarily lift the 2526security freeze to release your credit report to a specific person or for a specific period of 27time. You also will receive information on the procedures for removing or temporarily lifting 28a security freeze.

29 If you want to temporarily lift the security freeze on your credit report, you must 30 contact the consumer reporting agency and provide all of the following:

- 31 (1) The unique personal identification number or password provided by the 32 consumer reporting agency;
- 33 (2) The proper identifying information to verify your identity; and

34 (3) The proper information regarding the person who is to receive the credit report 35 or the period of time for which the credit report is to be available to users of the credit 36 report.

A consumer reporting agency must comply with a request to temporarily lift a security freeze on a credit report within 3 business days after the request is received, or within 15 minutes for certain requests. A consumer reporting agency must comply with a request to remove a security freeze on a credit report within 3 business days after the request is received.

6 If you are actively seeking credit, you should be aware that the procedures involved
 7 in lifting a security freeze may slow your own applications for credit. You should plan ahead
 8 and lift a security freeze, either completely if you are seeking credit from a number of
 9 sources, or just for a specific creditor if you are applying only to that creditor, a few days
 10 before actually applying for new credit.

11 [A consumer reporting agency may charge a reasonable fee not exceeding \$5 for each 12 placement, temporary lift, or removal of a security freeze. However, a consumer reporting 13 agency may not charge any fee to a consumer who, at the time of a request to place, 14 temporarily lift, or remove a security freeze, presents to the consumer reporting agency a 15 police report of alleged identity fraud against the consumer or an identity theft passport. A 16 consumer reporting agency also may not charge any fee to a consumer for the first 17 placement of a security freeze with the consumer reporting agency.]

18 A security freeze does not apply if you have an existing account relationship and a 19 copy of your credit report is requested by your existing creditor or its agents or affiliates for 20 certain types of account review, collection, fraud control, or similar activities."

(l) The exclusive remedy for a violation of subsection (e)(2)(ii) of this section shall
