1 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,  
2 That, as used herein, the term "County" means the body politic and corporate of the State  
3 of Maryland known as the County Commissioners of Washington County, and the term  
4 "construction, improvement, or development of public facilities" means the acquisition,  
5 alteration, construction, reconstruction, enlargement, equipping, expansion, extension,  
6 improvement, rehabilitation, renovation, upgrading, and repair of public buildings and  
7 facilities and public works projects, including, but not limited to, the following, together  
8 with related architectural, financial, legal, planning, or engineering services:

9 (a) Public school buildings, a school for the arts, administrative facilities, sites,  
10 and grounds;

11 (b) Community college buildings, sites, and grounds;

12 (c) Buildings and facilities for public safety, health and social services, libraries,  
13 County administration purposes, County airport purposes, refuse collection, recycling or  
14 disposal by whatever means, and park and recreation purposes;

15 (d) Acquisition of land or interests in land and any improvement thereon; and

16 (e) Easements or similar or related rights in land, including transferable  
17 development rights, that restrict the use of agricultural land or woodland to maintain the  
18 character of the land as agricultural land or woodland.

19 SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby  
20 authorized to finance any part or all of the costs of the facilities described in Section 1 of  
21 this Act, and to borrow money and incur indebtedness for that purpose, at one time or from  
22 time to time, in an amount not exceeding, in the aggregate, \$70,000,000 and to evidence  
23 such borrowing by the issuance and sale upon its full faith and credit of general obligation  
24 bonds in like par amount, which may be issued at one time or from time to time, in one or  
25 more groups or series, as the County may determine.

26 SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued in  
27 accordance with a resolution of the County, which shall describe generally the construction,  
28 improvement, or development of public facilities for which the proceeds of the bond sale are  
29 intended and the amount needed for those purposes. The County shall have and is hereby  
30 granted full and complete authority and discretion in the resolution to fix and determine  
31 with respect to the bonds of any issue: the designation, date of issue, denomination or  
32 denominations, form or forms, and tenor of the bonds which, without limitation, may be  
33 issued in registered form within the meaning of § 19–204 of the Local Government Article,  
34 as amended; the rate or rates of interest payable thereon, or the method of determining the  
35 same, which may include a variable rate; the date or dates and amount or amounts of  
36 maturity, which need not be in equal par amounts or in consecutive annual installments,  
37 provided only that no bond of any issue shall mature later than 30 years from the date of  
38 its issue; the manner of selling the bonds, which may be at either public or private sale, for  
39 such price or prices as may be determined to be for the best interests of the County; the  
40 manner of executing and sealing the bonds, which may be by facsimile; the terms and

1 conditions, if any, under which bonds may be tendered for payment or purchase prior to  
2 their stated maturity; the terms or conditions, if any, under which bonds may or shall be  
3 redeemed prior to their stated maturity; the place or places of payment of the principal of  
4 and the interest on the bonds, which may be at any bank or trust company within or without  
5 the State of Maryland; covenants relating to compliance with applicable requirements of  
6 federal income tax law, including (without limitation) covenants regarding the payment of  
7 rebate or penalties in lieu of rebate; covenants relating to compliance with applicable  
8 requirements of federal or state securities laws; and generally all matters incident to the  
9 terms, conditions, issuance, sale, and delivery thereof.

10 The bonds may be made redeemable before maturity, at the option of the County, at  
11 such price or prices and under such terms and conditions as may be fixed by the County  
12 prior to the issuance of the bonds, either in the resolution or in subsequent resolutions. In  
13 case any officer whose signature appears on any bond ceases to be such officer before the  
14 delivery thereof, such signature shall nevertheless be valid and sufficient for all purposes  
15 as if he had remained in office until such delivery. The bonds and the issuance and sale  
16 thereof shall be exempt from the provisions of §§ 19–205 and 19–206 of the Local  
17 Government Article, as amended.

18 The County may enter into agreements with agents, banks, fiduciaries, insurers, or  
19 others for the purpose of enhancing the marketability of any security for the bonds and for  
20 the purpose of securing any tender option that may be granted to holders of the bonds, all  
21 as may be determined and presented in the aforesaid resolution, which may (but need not)  
22 state as security for the performance by the County of any monetary obligations under such  
23 agreements the same security given by the County to bondholders for the performance by  
24 the County of its monetary obligations under the bonds. If the County determines in the  
25 resolution to offer any of the bonds by solicitation of competitive bids at public sale, the  
26 resolution shall fix the terms and conditions of the public sale and shall adopt a form of  
27 notice of sale, which shall outline the terms and conditions, including the manner of receipt  
28 of bids, and a form of advertisement. At least one publication of the advertisement shall be  
29 made not less than 10 days before the sale of the bonds.

30 Upon delivery of any bonds to the purchaser or purchasers, payment therefor shall  
31 be made to the Treasurer of Washington County or such other official of the County as may  
32 be designated to receive such payment in a resolution passed by the County Commissioners  
33 of Washington County before such delivery. For purposes of issuance and sale, bonds  
34 authorized hereunder may be consolidated into a single issue with any other bonds  
35 authorized to be issued by the County.

36 SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the sale  
37 of bonds shall be used and applied exclusively and solely for the acquisition, construction,  
38 improvement, or development of public facilities for which the bonds are sold. If the  
39 amounts borrowed shall prove inadequate to finance the projects described in the  
40 resolution, the County may issue additional bonds within the limitations hereof for the  
41 purpose of evidencing the borrowing of additional funds for such financing, provided the  
42 resolution authorizing the sale of additional bonds shall so recite, but if the net proceeds of  
43 the sale of any issue of bonds exceeds the amount needed to finance the projects described

1 in the resolution, the excess funds so borrowed and not expended shall be applied to the  
2 payment of the next principal maturity of the bonds or to the redemption of any part of the  
3 bonds which have been made redeemable or to the purchase and cancellation of bonds,  
4 unless the County shall adopt a resolution allocating the excess funds to the acquisition,  
5 construction, improvement, or development of other public facilities, as defined and within  
6 the limits set forth in this Act.

7 SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby authorized  
8 shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit  
9 and unlimited taxing power of the County to the payment of the maturing principal of and  
10 interest on the bonds as and when they become payable. In each and every fiscal year that  
11 any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem  
12 taxes upon all the assessable property within the corporate limits of Washington County in  
13 rate and amount sufficient to provide for or assure the payment, when due, of the principal  
14 of and interest on all the bonds maturing in each such fiscal year and, in the event the  
15 proceeds from the taxes so levied in any such fiscal year shall prove inadequate for such  
16 payment, additional taxes shall be levied in the succeeding fiscal year to make up any such  
17 deficiency. The County may apply to the payment of the principal of and interest on any  
18 bonds issued hereunder any funds received by it from the State of Maryland, the United  
19 States of America, any agency or instrumentality thereof, or from any other source, if such  
20 funds are granted for the purpose of assisting the County in financing the acquisition,  
21 construction, improvement, or development of the public facilities defined in this Act and,  
22 to the extent of any such funds received or receivable in any fiscal year, the taxes that are  
23 required to be levied may be reduced accordingly.

24 SECTION 6. AND BE IT FURTHER ENACTED, That the County is further  
25 authorized and empowered, at any time and from time to time, to issue its bonds in the  
26 manner hereinabove described for the purpose of refunding, by payment at maturity or  
27 upon purchase or redemption, any bonds issued hereunder. The validity of any such  
28 refunding bonds shall in no way be dependent upon or related to the validity or invalidity  
29 of the obligations so refunded. The powers herein granted with respect to the issuance of  
30 bonds shall be applicable to the issuance of refunding bonds. Such refunding bonds may be  
31 issued by the County for the purpose of providing it with funds to pay any of its outstanding  
32 bonds issued hereunder at maturity, for the purpose of providing it with funds to purchase  
33 in the open market any of its outstanding bonds issued hereunder, prior to the maturity  
34 thereof, or for the purpose of providing it with funds for the redemption prior to maturity  
35 of any outstanding bonds issued hereunder which are, by their terms, redeemable, for the  
36 purpose of providing it with funds to pay interest on any outstanding bonds issued  
37 hereunder prior to their payment at maturity of purchase or redemption in advance of  
38 maturity, or for the purpose of providing it with funds to pay any redemption or purchase  
39 premium in connection with the refunding of any of its outstanding bonds issued  
40 hereunder. The proceeds of the sale of any such refunding bonds shall be segregated and  
41 set apart by the County as a separate trust fund to be used solely for the purpose of paying  
42 the purchase or redemption prices of the bonds to be refunded.

43 SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to the  
44 preparation of definitive bonds, issue interim certificates or temporary bonds, with or

1 without coupons, exchangeable for definitive bonds when such bonds have been executed  
2 and are available for such delivery, provided, however, that any such interim certificates  
3 or temporary bonds shall be issued in all respects subject to the restrictions and  
4 requirements set forth in this Act. The County may, by appropriate resolution, provide for  
5 the replacement of any bonds issued hereunder which shall have become mutilated or lost  
6 or destroyed upon such conditions and after receiving such indemnity as the County may  
7 require.

8 SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations issued  
9 pursuant to the authority of this Act, their transfer, the interest payable thereon, and any  
10 income derived therefrom in the hands of the holders thereof from time to time (including  
11 any profit made in the sale thereof) shall be and are hereby declared to be at all times  
12 exempt from State, county, municipal, or other taxation of every kind and nature  
13 whatsoever within the State of Maryland.

14 Nothing in this Act shall prevent the County from authorizing the issuance and sale  
15 of bonds the interest on which is not excludable from gross income for federal income tax  
16 purposes.

17 SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow  
18 money and issue bonds conferred on the County by this Act shall be deemed to provide an  
19 additional and alternative authority for borrowing money and shall be regarded as  
20 supplemental and additional to powers conferred upon the County by other laws and shall  
21 not be regarded as in derogation of any power now existing; and all Acts of the General  
22 Assembly of Maryland heretofore passed authorizing the County to borrow money are  
23 hereby continued to the extent that the powers contained in such Acts have not been  
24 exercised, and nothing contained in this Act may be construed to impair, in any way, the  
25 validity of any bonds that may have been issued by the County under the authority of any  
26 said Acts, and the validity of the bonds is hereby ratified, confirmed, and approved. This  
27 Act, being necessary for the welfare of the inhabitants of Washington County, shall be  
28 liberally construed to effect the purposes hereof. All Acts and parts of Acts inconsistent  
29 with the provisions of this Act are hereby repealed to the extent of such inconsistency.

30 SECTION 10. AND BE IT FURTHER ENACTED, That the borrowing authorized by  
31 this Act may also be undertaken by the County in the form of installment purchase  
32 obligations executed and delivered by the County for the purpose of acquiring easements  
33 or similar or related rights in land, including transferable development rights, that restrict  
34 the use of agricultural land or woodland to maintain the character of the land as  
35 agricultural land or woodland. The form of installment purchase obligations, the manner  
36 of accomplishing the acquisition of easements, which may be by the direct exchange of  
37 installment purchase obligations for easements or transferable development rights, and all  
38 matters incident to the execution and delivery of the installment purchase obligations and  
39 acquisition of the easements or transferable development rights by the County shall be  
40 determined in the resolution. Except where the provisions of this Act would be inapplicable  
41 to installment purchase obligations, the term "bonds" used in this Act shall include  
42 installment purchase obligations and matters pertaining to the bonds under this Act, such  
43 as the security for the payment of the bonds, the exemption of the bonds from State, county,

1 municipal, or other taxation, and authorization to issue refunding bonds and the limitation  
2 on the aggregate principal amount of bonds authorized for issuance, shall be applicable to  
3 installment purchase obligations.

4 SECTION 11. AND BE IT FURTHER ENACTED, That this Act shall take effect  
5 June 1, 2018.
