## HOUSE JOINT RESOLUTION

1 A House Joint Resolution concerning

2 **Exposure to Pornography – Public Health Crisis**

3 FOR the purpose of recognizing that exposure to pornography is a public health crisis;  
4 recognizing that it is necessary to prevent pornography exposure and addiction, to  
5 educate individuals and families on the harms of pornography, and to develop  
6 pornography recovery programs; encouraging pornography education, prevention,  
7 research, and policy changes in communities in order to address the harms caused  
8 by pornography; and generally relating to the public health crisis caused by exposure  
9 to pornography.

10 WHEREAS, Due to advances in technology, including the availability of the Internet,  
11 minors are exposed to pornography; and

12 WHEREAS, The average age of exposure to hardcore pornography is 11 to 12 years  
13 old; and

14 WHEREAS, Pornography is contributing to the hypersexualization of minors; and

15 WHEREAS, The exposure to pornography is contributing to low self-esteem, eating  
16 disorders, an increase in problematic sexual activity among minors, and an increase in the  
17 desire to engage in risky sexual behavior; and

18 WHEREAS, Pornography often serves as sexual education and shapes sexual  
19 patterns; and

20 WHEREAS, Pornography depicts women as objects, which teaches girls that they  
21 are to be used and boys that they are to be users; and

22 WHEREAS, Pornography normalizes violence and abuse of women and children; and

23 WHEREAS, Pornography often depicts rape and abuse as if rape and abuse were

1 harmless; and

2 WHEREAS, Pornography equates violence toward women and children with sex, and  
3 pain with pleasure; and

4 WHEREAS, Pornography increases the demand for sex trafficking, prostitution,  
5 child sexual abuse, and child pornography; and

6 WHEREAS, The potential detrimental effects of pornography include emotional,  
7 mental, and medical illnesses, deviant sexual arousal, difficulty forming and maintaining  
8 intimate relationships, altered brain development and functioning, and problematic and  
9 harmful sexual behaviors; and

10 WHEREAS, Pornography is potentially biologically addictive; and

11 WHEREAS, Individuals addicted to pornography require more novel and more  
12 shocking pornography in order to be satisfied; and

13 WHEREAS, There is an increased demand for pornography depicting risky sexual  
14 behaviors, extreme degradation, violence, child sexual abuse, and child pornography; and

15 WHEREAS, The detrimental effects of pornography on families include the  
16 decreased desire in young men to marry, dissatisfaction in marriage, and infidelity; now,  
17 therefore, be it

18 RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the General  
19 Assembly of Maryland recognizes that exposure to pornography is a public health crisis  
20 that must be addressed systematically; and be it further

21 RESOLVED, That the General Assembly of Maryland recognizes that it is necessary
