8 (c) The easement must be in form and substance acceptable to the Director
9 of the Trust.

11 Historical Trust Board of Trustees a determination made by the Director of the Trust under

15 review.

16 (7) The proceeds of the loan must be expended or encumbered by the Board of
17 Public Works for the purposes provided in this Act no later than June 1, 2025. If any funds
18 authorized by this Act remain unexpended or unencumbered after June 1, 2025, the amount
19 of the unexpended or unencumbered authorization shall be canceled and be of no further
20 force and effect. If bonds have been issued for the loan, the amount of unexpended or
21 unencumbered bond proceeds shall be disposed of as provided in § 8-129 of the State
22 Finance and Procurement Article.

23 (8) Multiple grants provided to the same organization in this Section are in
24 addition to one another. Unless otherwise provided, any matching fund requirements apply
25 to each individual grant.

26 (9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of
27 Public Works may approve an appropriation in Section 1(3), Items ZA00 through ZB02 of
28 this Act notwithstanding technical differences in:

29 (i) The name of the grantee or the description of the project, provided
30 that the proposed use of funds is consistent with the public purpose of the original
31 appropriation; or

32 (ii) The location of the project, provided that the proposed location is
33 within the county specified in the original appropriation.

34 (b) The Department of Budget and Management shall notify the Office of
35 Policy Analysis within the Department of Legislative Services in writing of:

(i) The technical differences between an appropriation in Section 1(3), Items ZA00 through ZB02 of this Act and the proposed use of the funds; and

(ii) The justification that the proposed use of the funds is consistent with the public purpose of the appropriation.

(c) (i) The Office of Policy Analysis shall have 45 days to review and comment on the proposed use of the funds.

(ii) If the Office of Policy Analysis does not submit written objections within 45 days, the Department of Budget and Management shall provide certification in writing to the Board of Public Works that the proposed use of funds may be approved notwithstanding technical differences in the appropriation in Section 1(3), Items ZA00 through ZB02 of this Act.
