## A BILL ENTITLED

1 AN ACT concerning

2 **Telehealth – Coverage for Breast Cancer Services**

3 FOR the purpose of requiring that the health care services appropriately delivered through  
4 telehealth include certain services for breast cancer delivered to a patient in a home  
5 setting for the purpose of certain provisions of law requiring certain insurers,  
6 nonprofit health service plans, and health maintenance organizations and the  
7 Maryland Medical Assistance Program to provide certain coverage and  
8 reimbursement for health care services delivered through telehealth; requiring the  
9 Maryland Department of Health, in consultation with the Maryland Health Care  
10 Commission and the Maryland Insurance Administration, to report certain  
11 recommendations to certain committees of the General Assembly on or before a  
12 certain date; conforming certain terminology; providing for the application of this  
13 Act; and generally relating to coverage of and reimbursement for breast cancer  
14 services delivered through telehealth.

15 BY repealing and reenacting, with amendments,  
16 Article – Health – General  
17 Section 15–105.2(b)(2)

(2017 Replacement Volume)

BY repealing and reenacting, with amendments,  
Article – Insurance  
Section 15–139(c)  
Annotated Code of Maryland  
(2017 Replacement Volume)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,  
That the Laws of Maryland read as follows:

**Article – Health – General**

15–105.2.

(b) (2) To the extent authorized by federal law or regulation, the provisions of § 15–139(c) through (f) of the Insurance Article relating to coverage of and reimbursement for health care services delivered through [telemedicine] **TELEHEALTH** shall apply to the Program and managed care organizations in the same manner they apply to carriers.

(6) The Department shall adopt regulations to carry out this subsection.

**Article – Insurance**

15–139.

(a) (1) In this section, “telehealth” means, as it relates to the delivery of health care services, the use of interactive audio, video, or other telecommunications or electronic technology by a licensed health care provider to deliver a health care service within the scope of practice of the health care provider at a location other than the location of the patient.

(2) “Telehealth” does not include:

(i) an audio–only telephone conversation between a health care provider and a patient;

(ii) an electronic mail message between a health care provider and a patient; or

(iii) a facsimile transmission between a health care provider and a patient.

(b) This section applies to:

(1) insurers and nonprofit health service plans that provide hospital, medical, or surgical benefits to individuals or groups on an expense–incurred basis under

1 health insurance policies or contracts that are issued or delivered in the State; and

2 (2) health maintenance organizations that provide hospital, medical, or  
3 surgical benefits to individuals or groups under contracts that are issued or delivered in  
4 the State.

5 (c) (1) An entity subject to this section:

6 (i) shall provide coverage under a health insurance policy or  
7 contract for health care services appropriately delivered through telehealth; and

8 (ii) may not exclude from coverage a health care service solely  
9 because it is provided through telehealth and is not provided through an in-person  
10 consultation or contact between a health care provider and a patient.

11 (2) The health care services appropriately delivered through telehealth  
12 shall include:

13 (I) counseling for substance use disorders; AND

14 (II) **DIAGNOSTIC AND SYMPTOM MANAGEMENT SERVICES FOR**  
15 **BREAST CANCER DELIVERED TO A PATIENT IN A HOME SETTING.**

16 SECTION 2. AND BE IT FURTHER ENACTED, That, on or before December 1,  
17 2018, the Maryland Department of Health, in consultation with the Maryland Health Care  
18 Commission and the Maryland Insurance Administration, shall report to the Senate  
19 Finance Committee and the House Health and Government Operations Committee, in  
20 accordance with § 2-1246 of the State Government Article, on recommendations for:

21 (1) services delivered through telehealth for breast cancer patients that  
22 can effectively be delivered to a patient in a home setting; and

23 (2) appropriate reimbursement and other modifications necessary to  
24 implement expansion of telehealth coverage to include diagnostic, symptom management,  
25 and other related services for breast cancer delivered to a patient in a home setting.

26 SECTION 3. AND BE IT FURTHER ENACTED, That this Act shall apply to all  
27 policies, contracts, and health benefit plans issued, delivered, or renewed in the State on or  
28 after January 1, 2019.

29 SECTION 4. AND BE IT FURTHER ENACTED, That this Act shall take effect June  
30 1, 2018.
