13 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,  
14 That the Laws of Maryland read as follows:

15 **Article – Public Utilities**

16 7–512.1.

17 (a) (1) The Commission shall establish an electric universal service program  
18 to assist electric customers with annual incomes at or below 175% of the federal poverty  
19 level.

20 (2) The components of the electric universal service program shall include:

21 (i) bill assistance;

22 (ii) low–income residential weatherization; and

23 (iii) the retirement of arrearages for electric customers who have not  
24 received assistance in retiring arrearages under the universal service program within the  
25 preceding 7 fiscal years.

26 (3) The Department of Housing and Community Development is  
27 responsible for administering the low–income residential weatherization component of the  
28 electric universal service program.

29 (4) (i) The Department of Human Services, through the Office of Home  
30 Energy Programs, is responsible for administering the bill assistance and the arrearage  
31 retirement components of the electric universal service program.

32 (ii) The Department of Human Services may:

1                   1.       establish minimum and maximum benefits available to an  
2 electric customer under the bill assistance and arrearage retirement components; and

3                   2.       coordinate benefits under the electric universal service  
4 program with benefits under the Maryland Energy Assistance Program and other available  
5 energy assistance programs.

6                   (5)     The Department of Human Services may, with input from a panel or  
7 roundtable of interested parties, contract to assist in administering the bill assistance and  
8 the arrearage retirement components of the electric universal service program.

9                   (6)     The Commission has oversight responsibility for the bill assistance and  
10 the arrearage retirement components of the electric universal service program and any  
11 other funds expended under this section.

12                  (7)     In a specific case, the electric universal service program may waive the  
13 income eligibility limitation under paragraph (1) of this subsection in order to provide  
14 assistance to an electric customer who would qualify for a similar waiver under the  
15 Maryland Energy Assistance Program established under Title 5, Subtitle 5A of the Human  
16 Services Article.

17                  (b)     (1)     All customers shall contribute to the funding of the electric universal  
18 service program through a charge collected by each electric company.

19                  (2)     The Commission shall determine a fair and equitable allocation for  
20 collecting the charges among all customer classes pursuant to subsection (e) of this section.

21                  (3)     Except as provided in paragraph (4) of this subsection, in accordance  
22 with subsection (f)(6) of this section, any unexpended bill assistance and arrearage  
23 retirement funds returned to customers under subsection (f) of this section shall be  
24 returned to each customer class as a credit in the same proportion that the customer class  
25 contributed charges to the fund.

26                  (4)     The Department of Human Services shall expend any unexpended bill  
27 assistance and arrearage funds that were collected in fiscal years 2010 through 2017, in  
28 excess of the total amount authorized under subsection (e) of this section, for one or more  
29 of the following purposes:

30                   (i)     bill assistance and the retirement of arrearages for customers  
31 who are eligible to receive assistance at the time services are provided;

32                   (ii)    targeted and enhanced low-income residential weatherization  
33 designed to remediate households that are considered ineligible to participate in other  
34 State energy efficiency programs due to significant health and safety hazards; [or]

1 (iii) an arrearage management program for low-income customers in  
2 arrears, including providing credits or matching payments for customers who make timely  
3 payments on current bills; **OR**

4 **(IV) AN ARREARAGE PREVENTION PROGRAM FOR LOW-INCOME**  
5 **CUSTOMERS.**

6 (5) An electric company shall recover electric universal service program  
7 costs in accordance with § 7-512 of this subtitle.

8 (6) As determined by the Office of Home Energy Programs, bill assistance  
9 payments to an electric company may be on a monthly basis for each customer.

10 (7) The Commission shall determine the allocation of the electric universal  
11 service charge among the generation, transmission, and distribution rate components of all  
12 classes.

13 (8) The Commission may not assess the electric universal service  
14 surcharge on a per kilowatt-hour basis.

15 (c) (1) On or before December 1 of each year, the Commission shall report,  
16 subject to § 2-1246 of the State Government Article, to the General Assembly on the electric  
17 universal service program, including:

18 (i) subject to subsection (e) of this section, a recommendation on the  
19 total amount of funds for the program for the following fiscal year based on:

20 1. the level of participation in and the amounts expended on  
21 bill assistance and arrearage retirement during the preceding fiscal year;

22 2. how bill assistance and arrearage retirement payments  
23 were calculated during the preceding fiscal year;

24 3. the projected needs for the bill assistance and the  
25 arrearage retirement components for the next fiscal year; and

26 4. the amount of any bill assistance or arrearage retirement  
27 surplus carried over in the electric universal service program fund under subsection (f)(6)(i)  
28 of this section;

29 (ii) for bill assistance, the total amount of need, as determined by  
30 the Commission, for electric customers with annual incomes at or below 175% of the federal  
31 poverty level and the basis for this determination;

32 (iii) the amount of funds needed, as determined by the Commission,  
33 to retire arrearages for electric customers who have not received assistance in retiring

1 arrearages under the electric universal service program within the preceding 7 fiscal years,  
2 and the basis for this determination;

3 (iv) the amount of funds needed, as determined by the Commission,  
4 for bill assistance and arrearage retirement, respectively, for customers for whom income  
5 limitations may be waived under subsection (a)(7) of this section, and the basis for each  
6 determination;

7 (v) the impact on customers' rates, including the allocation among  
8 customer classes, from collecting the total amount recommended by the Commission under  
9 item (i) of this paragraph; and

10 (vi) the impact of using other federal poverty level benchmarks on  
11 costs and the effectiveness of the electric universal service program.

12 (2) (i) To assist the Commission in preparing its recommendations  
13 under paragraph (1) of this subsection, the Office of Home Energy Programs shall report to  
14 the Commission each year on:

15 1. the number of customers and the amount of distributions  
16 made to fuel customers under the Maryland Energy Assistance Program established under  
17 Title 5, Subtitle 5A of the Human Services Article, identified by funding source and fuel  
18 source;

19 2. the cost of outreach and education materials provided by  
20 the Office of Home Energy Programs for the electric universal service program; and

21 3. the amount of money that the Department of Human  
22 Services receives, and is projected to receive, for low-income energy assistance from:

23 A. the Maryland Strategic Energy Investment Fund under §  
24 9-20B-05 of the State Government Article;

25 B. with respect to electric customers only, the Maryland  
26 Energy Assistance Program; and

27 C. any other federal, State, local, or private source.

28 (ii) The Office of Home Energy Programs may satisfy the reporting  
29 requirement of subparagraph (i)1 of this paragraph by providing the Commission with a  
30 copy of material that contains the required information and that the Office of Home Energy  
31 Programs submits to the federal government.

32 (iii) The Commission shall include the information provided by the  
33 Office of Home Energy Programs under subparagraph (i) of this paragraph in its report to  
34 the General Assembly under paragraph (1) of this subsection.

1           (3) Subject to subsection (d)(2) of this section, the Commission shall include  
2 the information provided by the Department of Housing and Community Development  
3 under subsection (d)(1) of this section in its report to the General Assembly under  
4 paragraph (1) of this subsection.

5           (4) The electric universal service program shall be subject to audit by the  
6 Office of Legislative Audits in accordance with §§ 2–1220 through 2–1227 of the State  
7 Government Article.

8           (d) (1) On or before December 1 of each year, the Department of Housing and  
9 Community Development shall report, in accordance with § 2–1246 of the State  
10 Government Article, to the General Assembly on the low-income residential  
11 weatherization component of the electric universal service program, including:

12                   (i) the amount of funds expended during the preceding fiscal year;

13                   (ii) the level of participation during the preceding fiscal year,  
14 including the number of households served in each area of the State; and

15                   (iii) the types of projects, including the average cost per unit,  
16 provided to households during the preceding fiscal year.

17           (2) The Department of Housing and Community Development may satisfy  
18 the reporting requirement under paragraph (1) of this subsection by requesting the  
19 Commission to include the information in the Commission's report required under  
20 subsection (c) of this section and providing the information to the Commission by the date  
21 specified by the Commission.
