General Provisions - Commemorative Days - Foster Youth Legislative Shadow Days

This bill requires the Governor to annually proclaim the second Wednesday and Thursday in February as Foster Youth Legislative Shadow Days.

Fiscal Summary

State Effect: Commemorating Foster Youth Legislative Shadow Days does not affect State finances.

Local Effect: None.

Small Business Effect: None.

Analysis

Current Law: Sixteen official commemorative days, six months, and one week are recognized in State law, as shown in **Appendix 1**. The Governor also must issue a proclamation each year encouraging citizens and other individuals to observe a moment of silence at 3:00 p.m. on Memorial Day to unite in remembrance and commemorate the heroic acts and efforts of Marylanders who have served and died in the U.S. Armed Forces.

Background: Foster care is a temporary service that provides short-term care and supportive services to children who are unable to live at home because of child abuse or neglect. Foster children live in family foster homes and group care settings. Children who are unable to be reunited with their family of origin are frequently adopted by foster families. In Maryland there are about 3,700 children in out-of-home placements each

month throughout the State. The bipartisan Congressional Caucus on Foster Youth held its 6th Annual Foster Youth Shadow Day on May 24, 2017, in Washington, D.C.

The preamble states that the purpose of Foster Youth Legislative Shadow Days is to connect current and former foster youth with a State legislator to educate the current and former foster youth on the legislative process. According to the preamble, the legislators would spend those days mentoring the current and former foster youth and helping shape the impression that the youth have of themselves. This process connects legislators to the youth whom the legislators impact directly and indirectly.
