Prince George's County Board of Education – Election of Vice Chair and Voting
Procedures PG 507–18

This bill requires the elected members of the Prince George's County Board of Education, rather than the county executive, to select a vice chair of the board. In addition, the bill alters the voting threshold required for the school board to take an action that contradicts the chief executive officer's (CEO's) day-to-day management and oversight of the fiscal affairs of the Prince George's County public school system. Under the bill, a three-fifths vote (rather than a two-thirds vote) is required to take an action that is contrary to an action of the CEO. **The bill takes effect June 1, 2018.**

Fiscal Summary

State Effect: None.

Local Effect: The bill does not materially affect Prince George's County finances or operations.

Analysis

Current Law/Background: The composition and authority of the Prince George's County Board of Education have been affected several times in recent years due to legislation adopted by the General Assembly. Major legislation affecting the county board was enacted in 2002, 2008, and 2013.

Chapter 289 of 2002 eliminated the then-existing Prince George's County Board of Education and established a new county board of education. The new board consisted of nine voting members jointly appointed by the county executive and the Governor from a list of nominees submitted by the State Board of Education. At least four voting members had to have management experience, at least three members had to possess a high level of knowledge concerning education, at least one member had to be a parent of a student in a Prince George's County public school, and at least one member had to have knowledge or experience in the education of students with disabilities. In addition to the nine voting members, one student with limited voting privileges served on the new board. The new board members took office June 1, 2002, and their terms expired December 3, 2006.

Chapter 289 also eliminated the existing Prince George's County Superintendent of Schools position and replaced it with a CEO. The CEO acted as the executive officer, secretary, and treasurer of the new board and was responsible for the overall administration of the county public school system. The new board employed and established the salary of the CEO. The CEO's contract, which could not exceed four years, provided that continued employment was contingent on demonstrable improvement in student performance and successful management of the school system. The provisions establishing the CEO and the CEO's responsibilities expired on June 30, 2006.

Chapter 289 also required the CEO to select and establish salaries for a Chief Academic Officer (CAO), a Chief Financial Officer (CFO), and a Chief Accountability Officer for the Prince George's County public school system. The selection of officers and establishment of officers' salaries were subject to the approval of the new board. The CAO and the chief accountability officer positions expired on June 30, 2006, but the CFO position continued past that date.

Pursuant to Chapter 289, on December 4, 2006, a newly elected board replaced the appointed board. The board consisted of nine elected members and one student member. Four were elected from the county at-large, and the remaining five were each elected from a different school board district.

Chapters 348 and 349 of 2008 repealed the statutory position of CFO for the Prince George's County public school system and established, following the 2010 general election, a board structure that eliminated the four at-large members and established nine school board districts.

Chapter 147 of 2013 altered the membership of the board by adding four appointed members to the existing elected board. The county executive appoints three members with certain experience requirements, and the county council appoints one member who must be a parent of a student in the county school system. If a seat held by an elected member becomes vacant, the county executive must appoint a qualified individual for the remainder

of the term, with the appointment subject to rejection by a two-thirds vote of the county council. Chapter 147 also enhanced the authority of the Prince George's County superintendent of schools and designated the position as the CEO. Further, the legislation provided the county executive additional authority to select the CEO while reducing the authority of the county board of education.

¹A = Appointed by Governor, except in Baltimore City, where board is appointed jointly by the Governor and the Mayor; E = Elected; and A/E = Combined appointed by Governor and elected board, except in Prince George's County.

²Chapter 473 of 2017 restructured the Anne Arundel County Board of Education from a nine-member appointed board to an eight-member elected board consisting of seven elected members (one from each of the seven councilmanic districts on a nonpartisan basis) and one student member. The effective date of Chapter 473 was June 1, 2017. The term of the elected members are staggered, with four members elected at the 2018 general election and four members elected at the 2020 general election. The members elected in November 2018 serve a six-year term, while the members elected in 2020 serve a four-year term. Thus, beginning in 2024, all members must stand for election.

³Chapter 593 of 2017 repealed the role of the Governor in making appointments to the Baltimore City Board of School Commissioners; it also repealed the Governor's role in filling board vacancies and removing board members for certain causes. As a result, board members are appointed solely by the Mayor of Baltimore City. Chapter 593 also established the Baltimore City Public School Board Community Panel (which the mayor must convene) and specified its membership. The purpose of the panel is to select nominees to be recommended to the mayor as qualified candidates for appointment to the board (including candidates for vacancies). If the mayor elects not to appoint a member or to fill a vacancy from a list submitted by the panel, the mayor must reconvene the panel to submit additional names of qualified candidates. In addition, beginning with the 2022 general election, the board will be restructured as a hybrid board with two members elected from the city at large, nine members appointed by the Mayor of Baltimore City, and one student member.

⁴Chapters 480 and 481 of 2014 restructured the Baltimore County Board of Education from a 12-member appointed board (including 1 student member) to a 12-member board consisting of 4 at-large members appointed by the Governor, 7 nonpartisan members each elected from one of seven councilmanic districts, and a student member. The elected members will be elected at the general election in November 2018 and every four years thereafter. In addition, Chapters 480 and 481 of 2014 established the Baltimore County Nominating Commission. The commission is responsible for selecting eight nominees to be recommended to the Governor as qualified candidates for appointment to the Baltimore County Board of Education. The commission consists of 19 members of the county and must reflect the diversity of the county. Except in extenuating circumstances, the Governor must appoint members to the board of education from the list the nominating commission provides.

⁵Chapter 147 of 2013 altered the membership of the Prince George's County Board of Education by adding four appointed members to the existing elected board. The county executive appoints three members with certain experience requirements, and the county council appoints one member who must be a parent of a student in the county school system. If a seat held by an elected member becomes vacant, the county executive must appoint a qualified individual for the remainder of the term, with the appointment subject to rejection by a two-thirds vote of the county council.

⁶The Washington County Board of Education reports that the student member can only concur on votes and must abstain from certain matters.

⁷Chapter 169 of 2016, subject to referendum, required the restructuring of the Wicomico County Board of Education. In the 2016 general election, the county approved a fully elected board option, with five members each elected from one of the five councilmanic districts and two members elected from the county at large. Members will be elected at the general election in 2018 and every four years thereafter. The terms of board members who are in office on December 2, 2018, will expire on December 2, 2018.
