**Current Law:** The Public Local Laws of Somerset County require the county commissioners to appropriate funds to organized volunteer fire companies in the county. Appropriations made by the county commissioners to volunteer fire companies were last changed by Chapters 254 and 255 of 2009, which increased funding for fiscal 2011 through 2015. Chapters 254 and 255 also required that the fiscal 2015 funding levels remain the same for each year thereafter, unless changed by legislation. Chapter 66 of 2005 increased funding for fiscal 2006 through 2010. Chapter 66 also required that the fiscal 2010 funding levels remain the same for each year thereafter, unless changed by legislation.

**Local Fiscal Effect:** There are eight organized volunteer fire companies in Somerset County. The county commissioners have provided funding to volunteer fire companies for over 40 years. As shown in Exhibit 1, total county appropriations to volunteer fire companies will increase by \$6,497 in fiscal 2019 and by \$40,984 in fiscal 2024 and subsequent years.
