11. Description and Purpose of Project (Limit length to visible area)

BJR is looking to improve upon our Sportsplex field area by installing permanent restrooms on-site. Currently, BJR rents "port-a-johns" for 9 months of the year costing our organization thousands of dollars annually. Additionally, we are looking to replace an old equipment shed that has fallen into disrepair. BJR would like to build a new field equipment shed attached to our existing sports equipment shed.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

28. Comments

This project will allow BJR to keep our property clean and secure. Additionally, BJR will not waste money each year on cheap rentals, but will mbe able to have permanently installed bathrooms similar to other units used across our parks across the State.
