3 authorized to finance any part or all of the costs of the public facilities described in Section  
4 1 of this Act, and to borrow money and incur indebtedness for that purpose, at one time or  
5 from time to time, in an amount not exceeding, in the aggregate, \$10,320,000 and to  
6 evidence such borrowing by the issuance and sale upon its full faith and credit of general

9 SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued in  
10 accordance with a resolution of the County, which shall describe generally the construction,  
11 improvement, or development of public facilities for which the proceeds of the bond sale are  
12 intended and the amount needed for those purposes. The County shall have and is hereby  
13 granted full and complete authority and discretion in the resolution to fix and determine

15 denominations, form or forms, and tenor of the bonds which, without limitation, may be

22 be at either public or private sale, for such price or prices as may be determined to be for  
23 the best interests of Calvert County; the manner of executing and sealing the bonds, which  
24 may be by facsimile; the terms and conditions, if any, under which bonds may be tendered  
25 for payment or purchase prior to their stated maturity; the terms or conditions, if any,  
26 under which bonds may or shall be redeemed prior to their stated maturity; the place or

31 covenants relating to compliance with applicable requirements of federal or state securities  
32 laws; and generally all matters incident to the terms, conditions, issuance, sale, and  
33 delivery thereof.

34 The bonds may be made redeemable before maturity, at the option of the County, at  
35 such price or prices and under such terms and conditions as may be fixed by the County  
36 prior to the issuance of the bonds, either in the resolution or in a bond order pursuant to  
37 the bond resolution. The bonds may be issued in registered form and provision may be made  
38 for the registration of the principal only. In case any officer whose signature appears on  
39 any bond ceases to be such officer before the delivery thereof, such signature shall  
40 nevertheless be valid and sufficient for all purposes as if he had remained in office until  
41 such delivery. The bonds and the issuance and sale thereof shall be exempt from the  
42 provisions of §§ 19–205 and 19–206 of the Local Government Article of the Annotated Code  
43 of Maryland, as amended.

1           The County may enter into agreements with agents, banks, fiduciaries, insurers, or  
2 others for the purpose of enhancing the marketability of any security for the bonds and for  
3 the purpose of securing any tender option that may be granted to holders of the bonds, all  
4 as may be determined and presented in the aforesaid resolution, which may (but need not)  
5 state as security for the performance by the County of any monetary obligations under such  
6 agreements the same security given by the County to bondholders for the performance by  
7 the County of its monetary obligations under the bonds.

8           If the County determines in the resolution to offer any of the bonds by solicitation of  
9 competitive bids at public sale, the resolution shall fix the terms and conditions of the public  
10 sale and shall adopt a form of notice of sale, which shall outline the terms and conditions,  
11 and a form of advertisement, which shall be published in one or more daily or weekly  
12 newspapers having a general circulation in the County and which may also be published in  
13 one or more journals having a circulation primarily among banks and investment bankers.  
14 At least one publication of the advertisement shall be made not less than 10 days before  
15 the sale of the bonds.

16           Upon delivery of any bonds to the purchaser or purchasers, payment therefor shall  
17 be made to the Treasurer of Calvert County or such other official of Calvert County as may  
18 be designated to receive such payment in a resolution passed by the County before such  
19 delivery.

20           SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the sale  
21 of bonds shall be used and applied exclusively and solely for the acquisition, construction,  
22 improvement, or development of public facilities for which the bonds are sold. If the  
23 amounts borrowed shall prove inadequate to finance the projects described in the  
24 resolution, the County may issue additional bonds with the limitations hereof for the  
25 purpose of evidencing the borrowing of additional funds for such financing, provided the  
26 resolution authorizing the sale of additional bonds shall so recite, but if the net proceeds of  
27 the sale of any issue of bonds exceed the amount needed to finance the projects described  
28 in the resolution, the excess funds so borrowed and not expended shall be applied to the  
29 payment of the next principal maturity of the bonds or to the redemption of any part of the  
30 bonds which have been made redeemable or to the purchase and cancellation of bonds,  
31 unless the County shall adopt a resolution allocating the excess funds to the acquisition,  
32 construction, improvement, or development of other public facilities, as defined and within  
33 the limits set forth in this Act.

34           SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby authorized  
35 shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit  
36 and unlimited taxing power of the County to the payment of the maturing principal of and  
37 interest on the bonds as and when they become payable. In each and every fiscal year that  
38 any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem  
39 taxes upon all the assessable property within the corporate limits of the County in rate and  
40 amount sufficient to provide for or assure the payment, when due, of the principal of and  
41 interest on all the bonds maturing in each such fiscal year and, in the event the proceeds  
42 from the taxes so levied in any such fiscal year shall prove inadequate for such payment,  
43 additional taxes shall be levied in the succeeding fiscal year to make up any such deficiency.

1 The County may apply to the payment of the principal of and interest on any bonds issued  
2 hereunder any funds received by it from the State of Maryland, the United States of  
3 America, any agency or instrumentality thereof, or from any other source, if such funds are  
4 granted for the purpose of assisting the County in financing the acquisition, construction,  
5 improvement, or development of the public facilities defined in this Act and, to the extent  
6 of any such funds received or receivable in any fiscal year, the taxes that are required to be  
7 levied may be reduced accordingly.

8 SECTION 6. AND BE IT FURTHER ENACTED, That the County is further  
9 authorized and empowered, at any time and from time to time, to issue its bonds in the  
10 manner hereinabove described for the purpose of refunding, by payment at maturity or  
11 upon purchase or redemption, any bonds issued hereunder. The validity of any such  
12 refunding bonds shall in no way be dependent upon or related to the validity or invalidity  
13 of the obligations so refunded. The powers herein granted with respect to the issuance of  
14 bonds shall be applicable to the issuance of refunding bonds. Such refunding bonds may be  
15 issued by the County in such an amount as shall be necessary for the purpose of providing  
16 it with funds to pay any of its outstanding bonds issued hereunder at maturity, for the  
17 purpose of providing it with funds to purchase in the open market any of its outstanding  
18 bonds issued hereunder, prior to the maturity thereof, or for the purpose of providing it  
19 with funds for the redemption prior to maturity of any outstanding bonds issued hereunder  
20 which are, by their terms, redeemable, for the purpose of providing it with funds to pay  
21 interest on any outstanding bonds issued hereunder prior to their payment at maturity of  
22 purchase or redemption in advance of maturity, or for the purpose of providing it with funds  
23 to pay any redemption or purchase premium in connection with the refunding of any of its  
24 outstanding bonds issued hereunder. The proceeds of the sale of any such refunding bonds  
25 shall be segregated and set apart by the County as a separate trust fund to be used solely  
26 for the purpose of paying the purchase or redemption prices of the bonds to be refunded.

27 SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to the  
28 preparation of definitive bonds, issue interim certificates or temporary bonds, exchangeable  
29 for definitive bonds when such bonds have been executed and are available for such  
30 delivery, provided, however, that any such interim certificates or temporary bonds shall be  
31 issued in all respects subject to the restrictions and requirements set forth in this Act. The  
32 County may, by appropriate resolution, provide for the replacement of any bonds issued  
33 hereunder which shall have become mutilated or lost or destroyed upon such conditions  
34 and after receiving such indemnity as the County may require.

35 SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations issued  
36 pursuant to the authority of this Act, their transfer, the interest payable thereon, and any  
37 income derived therefrom in the hands of the holders thereof from time to time (including  
38 any profit made in the sale thereof) shall be and are hereby declared to be at all times  
39 exempt from State, county, municipal, or other taxation of every kind and nature  
40 whatsoever within the State of Maryland. Nothing in this Act shall prevent the County  
41 from authorizing the issuance and sale of bonds the interest on which is not excludable  
42 from gross income for federal income tax purposes.

43 SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow

1 money and issue bonds conferred on the County by this Act shall be deemed to provide an  
2 additional and alternative authority for borrowing money and shall be regarded as  
3 supplemental and additional to powers conferred upon the County by other laws and shall  
4 not be regarded as in derogation of any power now existing; and all Acts of the General  
5 Assembly of Maryland heretofore passed authorizing the County to borrow money are  
6 hereby continued to the extent that the powers contained in such Acts have not been  
7 exercised, and nothing contained in this Act may be construed to impair, in any way, the  
8 validity of any bonds that may have been issued by the County under the authority of any  
9 said Acts, and the validity of the bonds is hereby ratified, confirmed, and approved. This  
10 Act, being necessary for the welfare of the inhabitants of Calvert County, shall be liberally  
11 construed to effect the purposes hereof. All Acts and parts of Acts inconsistent with the  
12 provisions of this Act are hereby repealed to the extent of such inconsistency.

13 SECTION 10. AND BE IT FURTHER ENACTED, That this Act shall take effect  
14 June 1, 2019.
