Analysis

Current Law/ Background: One provision of the More Jobs for Marylanders Act of 2017 (Chapter 149) established Workforce Development Sequence Scholarships for eligible students who are enrolled in a program at a community college composed of courses that are related to job preparation or an apprenticeship, licensure or certification, or job skills enhancement. The Career Preparation Expansion Act of 2018 (Chapters 694 and 695) expanded the scholarship to include a registered apprenticeship program approved by the Division of Workforce Development and Adult Learning in the Department of Labor, Licensing, and Regulation.

To be eligible for a scholarship, a student must be a Maryland resident or have graduated from a Maryland high school and be enrolled at a community college in the State in a Workforce Development Sequence. An eligible individual may apply to the Office of Student Financial Assistance for a scholarship. An award may be used for tuition, mandatory fees, and other associated costs of attendance or costs to participate in a registered apprenticeship program. The annual amount of a scholarship awarded to an eligible student may not exceed \$2,000. Beginning in fiscal 2019, the Governor is required to appropriate at least \$1.0 million for the program annually. The fiscal 2019 budget and the Governor's proposed fiscal 2020 budget include \$1.0 million for the scholarships.
