Baltimore City Board of School Commissioners - Elected Voting Members

Fiscal Summary

State Effect: The bill does not materially affect State finances or operations.

Local Effect: Baltimore City Public School System expenditures increase by about \$37,400 in FY 2023 and by \$28,600 in subsequent years. Revenues are not affected.

Small Business Effect: None.

Analysis

Bill Summary: Each elected member from a legislative district must be a resident of that legislative district. In addition, if a member no longer resides in that district, the member may not continue as an elected voting member for that district.

During an election year, an individual who has filed a certificate of candidacy for election to the board may not (1) seek appointment to the board by the mayor through nomination by the Baltimore City Public School Board Community Panel or (2) be appointed to the board by the mayor.

The Baltimore City Council must appoint a qualified individual to fill a vacancy of an elected voting member for the remainder of the term and until a successor is elected and qualifies.

The bill staggers the terms of the elected members such that the three elected voting members who receive the highest number of votes among the members elected from the six legislative districts in November 2022 each serve a four-year term. The remaining three members serve a two-year term. After these initial terms, the members all serve four-year terms.

Current Law/Background: The Baltimore City Board of School Commissioners consists of nine appointed members from the city at large and one student member. Members are appointed by the mayor and serve three-year terms.

The Baltimore City Board of School Commissioners is the only appointed school board in the State. There are 19 elected school boards and four hybrid boards. **Appendix – Local Boards of Education** shows the selection methods, terms of office, and membership of the 24 local boards of education.

Beginning with the 2022 general election, the board will be restructured as a hybrid board with two members elected from the city at large, nine members appointed by the mayor, and one student member. Elected members will serve a four-year term, whereas appointed members will serve a three-year term.

Local Expenditures: The Baltimore City Public School System advises that, while board members do not receive salaries, they do receive equipment and reimbursements for activities related to board business (*e.g.*, traveling to conferences). The additional expenses in fiscal 2023 are shown below.

¹A = Appointed by Governor, except in Baltimore City, where board is appointed by the Mayor; E = Elected; and A/E = Combined appointed by Governor and elected board, except in Prince George's County.

²Chapter 473 of 2017 restructured the Anne Arundel County Board of Education from a nine-member appointed board to an eight-member elected board consisting of seven elected members (one from each of the seven councilmanic districts on a nonpartisan basis) and one student member. The terms of the elected members are staggered; four members were elected at the 2018 general election and three members will be elected at the 2020 general election. In this manner, the elected board is phased in. The members elected in November 2018 serve a six-year term, while the members elected in 2020 serve a four-year term. Thus, beginning in 2024, all members must stand for election.

³Chapter 593 of 2017 repealed the role of the Governor in making appointments to the Baltimore City Board of School Commissioners; it also repealed the Governor's role in filling board vacancies and removing board members. As a result, board members are appointed solely by the Mayor of Baltimore City until the appointed/elected board established by the legislation is executed at the 2022 general election. Chapter 593 also established the Baltimore City Public School Board Community Panel (which the Mayor must convene) and specified its membership. The purpose of the panel is to select nominees to be recommended to the Mayor as qualified candidates for appointment to the board (including candidates for vacancies). If the Mayor elects not to appoint a member or to fill a vacancy from a list submitted by the panel, the Mayor must reconvene the panel to submit additional names of qualified candidates. Beginning with the 2022 general election, the board will be restructured as a hybrid board with two members elected from the city at large, nine members appointed by the Mayor, and one student member. Elected members will serve a four-year term whereas appointed members will serve a three-year term.

⁴Chapters 480 and 481 of 2014 restructured the Baltimore County Board of Education from a 12-member appointed board (including 1 student member) to a 12-member board consisting of 4 at-large members appointed by the Governor, 7 nonpartisan members each elected from one of seven councilmanic districts, and a student member. The elected members were elected at the general election in November 2018 and serve four-year terms. In addition, Chapters 480 and 481 established the Baltimore County Nominating Commission. Generally, the commission is responsible for submitting to the Governor at least two names for each vacancy on the board. The commission consists of 19 members of the county and must reflect the diversity of the county. Except in extraordinary circumstances, the Governor must appoint members to the board of education from the list the nominating commission provides.

⁵Although not in statute, the Kent County Board of Education reports that there is a nonvoting student member of the board and that he or she does not attend closed sessions.

⁶Chapter 147 of 2013 altered the membership of the Prince George's County Board of Education by adding four appointed members to the existing elected board. The county executive appoints three members with certain experience requirements, and the county council appoints one member who must be a parent of a student in the county school system. If a seat held by an elected member becomes vacant, the county executive must appoint a qualified individual for the remainder of the term, with the appointment subject to rejection by a two-thirds vote of the county council.

⁷Although not in statute, the Washington County Board of Education reports that there is a student member of the board and that he or she can only concur on votes and must abstain from certain matters.

⁸Chapter 169 of 2016, subject to referendum, required the restructuring of the Wicomico County Board of Education. In the 2016 general election, the county approved a fully elected board option, with five members each elected from one of the five councilmanic districts and two members elected from the county at large. Members were elected at the general election in 2018 and serve four-year terms.
