Garrett County - Hotel Rental Tax - Rate and Distribution of Revenue

This bill increases the maximum hotel rental tax rate that may be imposed in Garrett County from 6% to 8%. The bill also requires that the non-municipal portion of hotel rental tax revenues collected from a tax rate in excess of 6% be distributed to the county's general fund. **The bill takes effect July 1, 2019.**

Fiscal Summary

State Effect: None.

Local Effect: Garrett County revenues may increase by approximately \$800,000 annually beginning in FY 2020 to the extent the county increases the hotel rental tax rate to 8%. County expenditures are not affected.

Small Business Effect: Minimal.

Analysis

Current Law: The Garrett County hotel rental tax rate may not exceed 6%. Hotel rental taxes are currently authorized in all counties and Baltimore City, with rates ranging from 4.0% to 9.5% as shown in **Exhibit 1**.

State law requires, after a distribution for specified administrative costs, that hotel rental tax revenues be distributed to the county's general fund. Exceptions to this provision include:

- in a code county and Calvert, Cecil, Garrett, and St. Mary's counties, the portion of the tax attributable to a hotel in a municipality must be distributed to the municipality;
- Carroll County may retain a reasonable amount of revenues for administrative expenses and the remaining balance must be used for tourism and general promotion of the county;
- Dorchester County must provide 80% of revenues attributed to hotels located in a municipality to the municipality;
- Frederick County must designate a portion of the hotel rental tax revenue to the Tourism Council of Frederick County and designate a portion to be used for a visitor center;
- Garrett County must designate a portion of revenues for the promotion of the county;
- Howard County must distribute any revenue attributable to a hotel rental tax rate of greater than 5% as follows: (1) two-thirds to the Howard County Tourism Council and (2) one-third to the Howard County Economic Development Authority;
- Washington County must use 50% of revenues to fund the Hagerstown/Washington County Convention and Visitors Bureau, with the remaining funds targeted for tourism, economic development, culture, and recreational projects; and
- Wicomico County must provide 16.7% of the revenue to the Salisbury Zoological Park, 16.7% to the Wicomico County Youth and Civic Center, and the remainder must be used for the Wicomico County Convention and Visitors Bureau.

Local Fiscal Effect: Garrett County is estimated to collect \$2.4 million in hotel rental tax revenues in fiscal 2019. The current hotel rental tax rate is set at 6%. Increasing the tax rate to 8% will generate approximately \$800,000 in additional revenue for the county's general fund beginning in fiscal 2020.
