**Enrolled - Revised**

Senate Bill 58

(Chair, Education, Health, and Environmental Affairs  
Committee)(By Request - Departmental - Agriculture)

Education, Health, and Environmental Affairs

Environment and Transportation

---

**Maryland Agricultural Land Preservation Foundation – Board of Trustees and  
Elimination of District Agreements**

---

This departmental bill deletes obsolete references to “agricultural districts” associated with an agricultural land preservation process involving district agreements that was phased out pursuant to Chapter 650 of 2007. The bill also (1) transfers to codified statute certain uncodified provisions from Chapter 650 of 2007 concerning the dates applicable to the ending of the process and the preservation of certain districts and (2) authorizes each ex officio member of the board of trustees of the Maryland Agricultural Land Preservation Foundation (MALPF) to appoint any designee to serve in the member’s place on the board.

---

**Fiscal Summary**

**State Effect:** None. The bill does not directly affect State finances.

**Local Effect:** None.

**Small Business Effect:** The Maryland Department of Agriculture has determined that this bill has minimal or no impact on small business (attached). The Department of Legislative Services concurs with this assessment. (The attached assessment does not reflect amendments to the bill.)

---

## Analysis

### **Current Law/Background:**

#### *District Agreement Process*

Under the district agreement process, agricultural (preservation) districts were formed when qualifying landowners would sign voluntary agreements with MALPF to keep their land in agricultural or woodland use for a specified number of years (3 to 10 years, depending on the county where the land was located). Landowners who agreed to place their farms within an agricultural district could sell a development rights easement on that property to MALPF.

The intent of the district agreement process was to help anticipate needed funding levels for easement purchases and to provide a supplementary mechanism for farmland protection. However, reluctance by many landowners to participate in the district agreement process led to the enactment of Chapter 650 of 2007, which allowed for easement purchases without the prior establishment of an agricultural district and phased out the district agreement process. In uncodified language (transferred to codified statute by this bill), Chapter 650 specified that:

- effective July 1, 2007, districts could not be a requirement for the easement application process to MALPF; and
- as of June 30, 2012, all districts in MALPF were terminated, with the exception of (1) any district in which an easement had been transferred to MALPF and (2) any district established by a county and a landowner for the purpose of providing a property tax credit to the landowner.

#### *Board of Trustees*

The State Treasurer, the Comptroller, the Secretary of Planning, and the Secretary of Agriculture serve as ex officio members of the MALPF board of trustees. The State Treasurer may appoint, as the Treasurer's designee, a deputy treasurer to serve on the board, and the Secretary of Planning may appoint, as the Secretary's designee, an individual within the Maryland Department of Planning.
