4 That the Laws of Maryland read as follows:

5 **Article – Tax – Property**

6 13–303.

7 (a) The agricultural land transfer tax applies at the following rates:

8 (1) for a transfer of 20 acres or more of agricultural land, 5%;

9 (2) except as provided in item (3) of this subsection, for a transfer of less  
10 than 20 acres of agricultural land assessed for agricultural use or as unimproved  
11 agricultural land, 4%; or

12 (3) for a transfer of less than 20 acres of agricultural land assessed as  
13 improved agricultural land or agricultural land with site improvements, 3%.

14 (b) If an instrument of writing is subject to different rates of agricultural land  
15 transfer tax under subsection (a) of this section, the total agricultural land transfer tax due  
16 is computed separately for each portion of agricultural land to which a different rate  
17 applies.

18 (c) Except as provided by § 13–305(b)(2) or (c)(4) of this subtitle, the agricultural  
19 land transfer tax determined under subsection (a) or subsection (b) of this section is reduced  
20 by:

21 (1) 25% if property tax on the agricultural land was paid on the basis of  
22 any assessment other than the farm or agricultural use assessment under § 8–209 of this  
23 article for 1 full taxable year before a transfer;

24 (2) 50% if property tax on the agricultural land was paid on the basis of

28 any assessment other than the farm or agricultural use assessment under § 8–209 of this  
29 article for 3 or more full consecutive taxable years before a transfer.

30 (d) (1) Except as provided in paragraph (2) of this subsection, in addition to  
31 the agricultural land transfer tax, a surcharge in an amount equal to 25% of the tax  
32 determined under subsections (a) through (c) of this section is imposed on an instrument of  
33 writing that transfers title to agricultural land.

1           (2)     The surcharge imposed under paragraph (1) of this subsection does not  
2 apply to an instrument of writing that transfers property of 2 acres or less to be improved  
3 to a child or grandchild of the owner.

4           (e)     When determining the rate of the agricultural land transfer tax to be imposed  
5 under subsection (a) or (b) of this section, the amount of agricultural land transferred that  
6 is exempt from the tax in accordance with § 13–305 of this subtitle may not be included in  
7 the amount of agricultural land that is transferred.

8 13–305.

9           (h)     The agricultural land transfer tax does not apply to an instrument of writing  
10 that transfers title to agricultural land that was previously transferred by an instrument
