CHAPTER _____

1 AN ACT concerning

2 **Child Support – Guidelines**

3 FOR the purpose of authorizing a court, in determining whether the application of the child
4 support guidelines would be unjust or inappropriate in a particular case, to consider
5 whether an obligor's monthly obligation would leave the obligor with a monthly
6 actual income below a certain percentage of the 2019 federal poverty level for an
7 individual; authorizing the court to decline to establish a child support order under
8 certain circumstances; specifying that the fact that a parent meets or ceases to meet
9 certain criteria shall constitute a material change of circumstance for the purpose of
10 a modification of a child support award; requiring the court to take certain actions if
11 there is a dispute as to whether a parent is voluntarily impoverished; revising the
12 schedule of basic child support obligations used to calculate the amount of a child
13 support award under the child support guidelines; altering certain definitions;
14 defining certain terms; providing for the application of this Act; providing for a
