#### Section 2

## Right to 3–Year Lease Extension or 3–Month Rent Payment for Certain Handicapped Citizens and Senior Citizens

The developer who converts this residential rental facility to a cooperative housing corporation must offer extended leases to qualified households for up to 20 percent of the units in the residential rental facility. Households which receive extended leases will have the right to continue renting their residences for at least 3 years from the date of this notice. A household may cancel an extended lease by giving 3 months' written notice if more than 1 year remains on the lease, and 1

month's written notice if 1 year or less remains on the lease.

Rents under these extended leases may be increased only once each year and are limited by increases in the cost of living index. Read the enclosed lease to learn the additional rights and responsibilities of [tenants] RESIDENTS under extended leases.

In determining whether your household qualifies for an extended lease, the following definitions apply:

- (1) "Handicapped citizen" means a person with a measurable limitation of mobility due to congenital defect, disease, or trauma.
- (2) "Senior citizen" means a person who is at least 62 years old on the date of this notice.
- (3) "Annual income" means the total income from all sources for all present members of your household for the income tax year immediately preceding the year in which this notice is issued, whether or not included in the definition of gross income for federal or State tax purposes. For purposes of this section, the inclusions to and exclusions from annual income are the same as for "gross income" as that term is defined in § 9–104(a)(8) of the Tax Property Article for the property tax credits for homeowners by reason of income and age, reduced by unreimbursed medical expenses if the [tenant] RESIDENT provides reasonable evidence of the unreimbursed medical expenses or consents in writing to authorize disclosure of relevant information regarding medical expense reimbursement at the time of applying for an extended lease. Total income means the same as "gross income" as defined in § 9–104(a)(8) of the Tax Property Article.

To qualify for an extended lease you must meet all of the following criteria:

- (1) A member of the household must be a handicapped citizen or a senior citizen and must be living in your unit as of the date of this notice and must have been a member of your household for at least the 12 months immediately preceding the date of this notice;
- (2) Annual income for all present members of your household must not have exceeded ................ (80 percent of applicable median income) for 20\_\_; and
- (3) You must be current in your rental payment and otherwise be in good standing under your existing lease.

If you meet all of these qualifications and you desire an extended lease, then you must complete the enclosed form and execute the enclosed lease and return the completed form and executed lease to the office listed below within 60 days after the date of this notice, or in other words, by ............ (date). If your completed form and executed lease are not received within that time, you will not be entitled

to an extended lease.

If the number of qualified households requesting extended leases exceeds the 20 percent limitation, the extended leases shall be allocated as determined by the local governing body. If the local governing body fails to provide for allocation, units shall be allocated by the developer based on seniority by continuous length of residence.

Due to the 20 percent limitation your application for an extended lease must be processed before your lease becomes effective. Your lease will become effective if it is determined that your household is qualified and falls within the 20 percent limitation.

If you return the enclosed form and lease by ........(date), you will be notified within 75 days after the date of this notice, or in other words, by .......(date), whether you are qualified and whether your household falls within the 20 percent limitation.

You may apply for an extended lease and, at the same time, choose to purchase a cooperative interest. If you apply for and receive an extended lease, your contract will be void. If you do not receive an extended lease, your contract will be effective and you will be obligated to purchase a cooperative interest.

If you qualify for an extended lease, but due to the 20 percent limitation, your lease is not effective, the developer must pay you an amount equal to 3 months' rent within 15 days after you move. You are also entitled to up to \$750 reimbursement for your moving expenses, as described in Section 1.

If you qualify for an extended lease, but do not want one, you are also entitled to both the moving expense reimbursement previously described and the payment equal to 3 months' rent. In order to receive the 3 months' rent payment, you must complete and return the enclosed form within 60 days after the date of this notice or by ............ (date), but you should not execute the enclosed lease.

28	All applications, forms, executed leases, and moving expense requests
29	should be addressed or delivered to:

  - (c) Unless written acceptance of an offer made under subsection (a) or (b) of this section is first delivered to the owner by the [tenant] RESIDENT, the offer shall terminate, without further act, upon the earlier to occur of:

- 27 (d) Acceptance of an offer by a [tenant] RESIDENT who meets the criteria for an extended lease under § 5–6B–07 of this subtitle shall be contingent upon the [tenant] 29 RESIDENT not receiving an extended lease.
  - (e) (1) Except as provided in paragraph (2) of this subsection, if the offer terminates, the owner may not offer to sell that cooperative interest at a price or on terms and conditions more favorable to the offeree than the price, terms, and conditions offered to the [tenant] RESIDENT during the 180-day period following the giving of the notice required by § 5-6B-05 of this subtitle.

- 18 (a) (1) The purpose of this section is to provide [tenants] RESIDENTS with a mechanism for encouraging the repair of serious and dangerous defects which exist within 20 or as part of any residential dwelling unit, or upon the property used in common of which the dwelling unit forms a part.
  - (2) The defects sought to be reached by this section are those [which] THAT present a substantial and serious threat of danger to the life, health and safety of the occupants of the dwelling unit, and not those which merely impair the aesthetic value of the premises, or which are, in those locations governed by such codes, housing code violations of a nondangerous nature.
  - (3) The intent of this section is not to provide a remedy for dangerous conditions in the community at large which exists apart from the leased premises or the property in common of which the leased premises forms a part.
- 30 (b) It is the public policy of Maryland that meaningful sanctions be imposed upon 31 those who allow dangerous conditions and defects to exist in leased premises, and that an 32 effective mechanism be established for repairing these conditions and halting their 33 creation.

1 (c) **(1)** This section applies to residential dwelling units leased for the purpose 2 of human habitation within the State of Maryland. 3 **(2)** This section does not apply to farm tenancies. 4 (d) This section applies to all applicable dwelling units whether they are: [publicly] **PUBLICLY** or privately owned; or 5 (1) 6 (2)[single] **SINGLE** or multiple units. 7 (e) This section provides a remedy and imposes an obligation upon [landlords] 8 **RESIDENTIAL HOUSING PROVIDERS** to repair and eliminate conditions and defects which 9 constitute, or if not promptly corrected will constitute, a fire hazard or a serious and 10 substantial threat to the life, health or safety of occupants, including, but not limited to: 11 Lack of heat, light, electricity, or hot or cold running water, except 12 where the [tenant] RESIDENT is responsible for the payment of the utilities and the lack thereof is the direct result of the [tenant's] RESIDENT'S failure to pay the charges; 13 (2)14 Lack of adequate sewage disposal facilities; 15 (3) Infestation of rodents in two or more dwelling units; 16 **(4)** The existence of any structural defect which presents a serious and 17 substantial threat to the physical safety of the occupants; or 18 The existence of any condition which presents a health or fire hazard to 19 the dwelling unit. 20(f) **(1)** This section does not provide a remedy for the [landlord's] 21RESIDENTIAL HOUSING PROVIDER'S failure to repair and eliminate minor defects or, in 22 those locations governed by such codes, housing code violations of a nondangerous nature. 23 **(2)** There is a rebuttable presumption that the following conditions, when 24they do not present a serious and substantial threat to the life, health and safety of the 25occupants, are not covered by this section: 26 Any defect which merely reduces the aesthetic value of the leased 27 premises, such as the lack of fresh paint, rugs, carpets, paneling or other decorative 28 amenities: 29 [(2)](II)Small cracks in the walls, floors or ceilings;

However, once you give notice of when you intend to move, you will not have the right to remain in your residence beyond that date.

1 Section 2 2 Right to 3-year lease extension or 3-month rent payment 3 for certain individuals with disabilities and senior citizens 4 The developer who converts this rental facility to a condominium must offer extended 5 leases to qualified households for up to 20 percent of the units in the rental facility. 6 Households which receive extended leases will have the right to continue renting their 7 residences for at least 3 years from the date of this notice. A household may cancel an 8 extended lease by giving 3 months' written notice if more than 1 year remains on the lease, 9 and 1 month's written notice if less than 1 year remains on the lease. 10 Rents under these extended leases may only be increased once a year and are limited 11 by increases in the cost of living index. Read the enclosed lease to learn the additional rights 12 and responsibilities of [tenants] RESIDENTS under extended leases. 13 In determining whether your household qualifies for an extended lease, the following 14 definitions apply: 15 (1) (i) "Disability" means: 16 A physical or mental impairment that substantially limits one or more of an individual's major life activities; or 17 18 A record of having a physical or mental impairment that 19 substantially limits one or more of an individual's major life activities. 20 (ii) "Disability" does not include the current illegal use of or addiction to: 211. "Total income" means 31 32the same as "gross income" as defined in § 9–104(a)(7) of the Tax – Property Article.

"Unreimbursed medical expenses" means the cost of medical expenses not

**(4)** 

otherwise paid for by insurance or some other third party, including medical and hospital insurance premiums, co-payments, and deductibles; Medicare A and B premiums; prescription medications; dental care; vision care; and nursing care provided at home or in a nursing home or home for the aged.

To qualify for an extended lease you must meet all of the following criteria:

- (1) A member of the household must be an individual with a disability or a senior citizen and must be living in your unit as of the date of this notice and must have been a member of your household for at least 12 months preceding the date of this notice; and
- 9 (2) Annual income for all present members of your household must not have 10 exceeded ....... (the applicable income eligibility figure or figures for the appropriate 11 area) for 20.....; and
- 12 (3) You must be current in your rental payments and otherwise in good standing 13 under your existing lease.

If you meet all of these qualifications and desire an extended lease, then you must complete the enclosed form and execute the enclosed lease and return them. The completed form and executed lease must be received at the office listed below within 60 days of the date of this notice, or in other words, by ................................ (Date). If your completed form and executed lease are not received within that time, you will not be entitled to an extended lease.

If the number of qualified households requesting extended leases exceeds the 20 percent limitation, priority will be given to qualified households who have lived in the rental facility for the longest time.

Due to the 20 percent limitation your application for an extended lease must be processed prior to your lease becoming final. Your lease will become final if it is determined that your household is qualified and falls within the 20 percent limitation.

You may apply for an extended lease and, at the same time, choose to purchase your unit. If you apply for and receive an extended lease, your purchase contract will be void. If you do not receive an extended lease, your purchase contract will be effective and you will be obligated to buy your unit.

If you qualify for an extended lease, but due to the 20 percent limitation, your lease is not finalized, the developer must pay you an amount equal to 3 months' rent within 15 days after you move. You are also entitled to up to \$750 reimbursement for your moving expenses, as described in Section 1.

1 2 3 4 5	If you qualify for an extended lease, but do not want one, you are also entitled to both the moving expense reimbursement previously described, and the payment equal to 3 months' rent.
