CHAPTER _____

1 AN ACT concerning

2 **Power Plant Research Program – Review of Application for Certificate of Public**
3 **Convenience and Necessity – Alterations**

4 FOR the purpose of altering the circumstances under which the Public Service Commission
5 must notify the Department of Natural Resources and the Department of the
6 Environment about an application for a certificate of public convenience and
7 necessity associated with power plant construction; altering the timeframe under
8 which the Department of Natural Resources and the Department of the Environment
9 must conduct a certain study and investigation; requiring the Department of Natural
10 Resources to complete a certain report within a certain amount of time after the
11 Commission deems an application complete; altering the timeframe under which the
12 Secretary of Natural Resources and the Secretary of the Environment must submit
13 certain information to the Commission; requiring that certain licensing conditions
14 must be consistent with certain requirements but may not exceed the authority of
15 the Department of the Environment; authorizing the Commission to waive certain
16 deadlines under certain circumstances; repealing the requirement that the Secretary
17 of Natural Resources and the Secretary of the Environment present certain
18 recommendations to the Commission within a certain number of days after a certain
19 hearing; making stylistic and conforming changes; and generally relating to the
20 Power Plant Research Program and the review of applications for a certificate of
21 public convenience and necessity.
