The project is to enhance the viability, safety, and security of the fairgrounds with multiple initiatives. These initiatives includes the installation of an outdoor digital LED sign which will be used to display and promote upcoming fair and community events and announcements, replacement of the back gate with a more secure design thereby providing our volunteers and fairground users increased piece-of-mind and security throughout the fairgrounds by limiting and monitoring grounds access. The condition of our "lower stage" will also be addressed as it is in immediate need of repair before it can be used. This stage is used at events throughout the year and the decking, railing, electrical, and roof supports are in need of repair or replacement. <p>The Anne Arundel County Fairgrounds are currently run by Anne Arundel County Fair Inc., an incorporated Agricultural Fair in MD. We are governed and ran by a group of dedicated volunteers with a passion for our community and agricultural interest. We engage the public and our youth in a positive, educational, festive, community atmosphere. The fair provides events for everyone. We depend on our community partners to help us out, so we can keep the fairs admission affordable for our patrons. The Fair board is a member of the Maryland Association of Fairs and Shows and International association of fairs and expos. These organizations both provide networking resources and trainings for agricultural fairs..</p> <p>The Anne Arundel County Fairgrounds is located in central Anne Arundel County in Crownsville Maryland. This property was purchased by the State of Maryland under the "Open Space" program in 1981. The State of Maryland, through the Department of Natural Resources, has generously allowed the Anne Arundel Fair, Inc. to lease the property, and we are extremely grateful. We love our home and have continued to maintain and manage its uses as written in our lease with DNR. The Fair has and continues to be used for many events and festivals, including ethnic and food festivals, Scout camps & jamborees, trainings, reunions, weddings, sportsmen shows, tractor pulls, rodeos, Haunted House & hayrides, flea markets, craft shows, jousting,4-H fundraisers and horse pulls, and of course our beloved yearly Anne Arundel county Fair in September. Our benefits to the community is not limited to the events we provide and host, but also the positive economic impact from vendors for food and goods, event promoters, hotel room rentals, and services providers.</p>
