10. Description and Purpose of Organization (Limit length to visible area)		
<p>Bishop McNamara High School (BMHS) educates close to 900 students from nine different counties in the Washington Metropolitan region. BMHS has embraced a co-educational Catholic liberal arts curriculum, with a mission to educate the hearts and minds in a dynamic, inclusive Catholic school community rooted in the Holy Cross tradition. Our students receive the education, training and skills that serve their communities, and contribute to the workforce of tomorrow.</p>		

11. Description and Purpose of Project (Limit length to visible area)

The La Reine Science & Innovation Center (LRSIC) will provide the learning spaces needed to access richer science-based academic experiences for our students, and provide much needed technology workforce development training for members of our community. Among the goals of the LRSIC is to provide students of color the tools they need to successfully pursue higher education and, later, careers in the STEM field through its curriculum and state-of-the-art facilities. A Workforce Development Resource for the Prince Georges County Community. During the day, the LRSIC will provide our students with the education, training, and skills to excel in the workforce of tomorrow. After hours, these classrooms and labs will be used as a resource for adult learners to enhance their skills and increase their chances of finding employment in the region.
