(i) Is a type that is already adequately represented among the Trust's existing easement properties;

(ii) Is already subject to adequate protections of historic preservation law or instrument; or

(iii) Has conditions peculiar to it that make requiring an easement impractical.

(b) If the grantee holds a lease on the property, the Trust may accept an easement on the leasehold interest.

(c) The easement must be in form, substance, and duration acceptable to the Director of the Trust.

(d) (i) A recipient may administratively appeal to the Maryland Historical Trust Board of Trustees a determination made by the Director of the Trust under subparagraph (a) of this paragraph.

(7) The proceeds of the loan must be expended or encumbered by the Board of Public Works for the purposes provided in this Act no later than June 1, 2028. If any funds authorized by this Act remain unexpended or unencumbered after June 1, 2028, the amount of the unexpended or unencumbered authorization shall be canceled and be of no further force and effect. If bonds have been issued for the loan, the amount of unexpended or unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State Finance and Procurement Article.

(8) Multiple grants provided to the same organization in this Section are in addition to one another. Unless otherwise provided, any matching fund requirements apply to each individual grant.

(9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02 of this Act, notwithstanding technical differences in:

(ii) The location of the project, provided that the proposed location is within the county specified in the original appropriation.

(b) The Department of Budget and Management shall notify the Office of Policy Analysis within the Department of Legislative Services in writing of:

(i) The technical differences between an appropriation in Section 1(3) Items ZA00 through ZB02 of this Act and the proposed use of the funds; and

(ii) The justification that the proposed use of the funds is consistent with the public purpose of the appropriation.

(c) (i) The Office of Policy Analysis shall have 45 days to review and comment on the proposed use of the funds.

(ii) If the Office of Policy Analysis does not submit written objections within 45 days, the Department of Budget and Management shall provide certification in writing to the Board of Public Works that the proposed use of funds may be approved notwithstanding technical differences in the appropriation in Section 1(3) Items ZA00 through ZB02 of this Act.
