Anne Arundel County - Board of License Commissioners - Chief Inspector

This bill requires the Anne Arundel County Board of License Commissioners to hire a chief inspector at an annual salary of \$30,000. **The bill takes effect July 1, 2021.**

Fiscal Summary

State Effect: None.

Local Effect: Anne Arundel County expenditures increase beginning in FY 2022 by approximately \$20,450, as discussed below. Anne Arundel County revenues are not affected.

Small Business Effect: None.

Analysis

Current Law: The board is authorized to employ one *part-time* chief inspector at an annual salary of \$11,000.

Local Fiscal Effect: The bill sets the salary of the chief inspector at \$30,000. It is assumed that this position will replace the one part-time chief inspector position in the county. Thus, county expenditures increase by approximately \$20,453 beginning in fiscal 2022, taking into account the new salary of the chief inspector with additional fringe benefits and removing the salary of the part-time chief inspector. Future year expenditures increase slightly to account for cost of living and merit adjustments for the chief inspector.
