Analysis

Current Law: Each local school board must carry comprehensive liability insurance to protect the board and its agents and employees. The State Board of Education must establish standards for these insurance policies, including a minimum liability coverage of at least \$400,000 for each occurrence.

Pursuant to § 5-518(b) of the Courts and Judicial Proceedings Article, a local school board may raise the defense of sovereign immunity to any amount claimed above the limit of its insurance policy or, if self-insured or a member of a specified insurance pool, above \$400,000. However, a local school board may not raise the defense of sovereign immunity to any claim of \$400,000 or less.
