CHAPTER _____

AN ACT concerning

Education – School Construction – Pedestrian Safety Plans
(Safe Walk to School Act)

FOR the purpose of requiring certain county boards of education seeking State funds for
the construction of a new school, or the renovation of or an addition to an existing
school that would increase the capacity by more than a certain number of students,
to submit a certain pedestrian safety plan to the Interagency Commission on School
Construction; requiring the Interagency Commission to review approve the
pedestrian safety plans in consultation with the State Highway Administration
under certain circumstances; and generally relating to pedestrian safety plans for
schools.
