Article III – Legislative Department

52.

(1) The General Assembly shall not appropriate any money out of the Treasury except in accordance with the provisions of this section.

(2) Every appropriation bill shall be either a Budget Bill, or a Supplementary Appropriation Bill, as hereinafter provided.

(3) On the third Wednesday in January in each year, (except in the case of a newly elected Governor, and then not later than ten days after the convening of the General Assembly), unless such time shall be extended by the General Assembly, the Governor shall submit to the General Assembly a Budget for the next ensuing fiscal year. Each Budget shall contain a complete plan of proposed expenditures and estimated revenues for said fiscal year and shall show the estimated surplus or deficit of revenues at the end of the preceding fiscal year. Each Budget shall also contain the appropriations necessary to implement all terms and conditions of employment in each memorandum of understanding concluded with the State, whether reached through mutual agreement or arbitration that is binding on the parties, the Governor, State institutions of higher education, and the Maryland Environmental Service, for the next ensuing fiscal year for State employees in the various branches and departments of State Government, including higher education. Accompanying each Budget shall be a statement showing: (a) the revenues and expenditures for the preceding fiscal year; (b) the current assets, liabilities, reserves and surplus or deficit of the State; (c) the debts and funds of the State; (d) an estimate of the State’s financial condition as of the beginning and end of the preceding fiscal year; (e) changes in wages, hours, fringe benefits,
(4) Each Budget shall embrace an estimate of all appropriations in such form and detail as the Governor shall determine or as may be prescribed by law, as follows: (a) for the General Assembly as certified to the Governor in the manner hereinafter provided; (b) for the Executive Department; (c) for the Judiciary Department, as provided by law, as certified to the Governor; (d) to pay and discharge the principal and interest of the debt of the State in conformity with Section 34 of Article III of the Constitution, and all laws enacted in pursuance thereof; (e) for the salaries AND FRINGE BENEFITS payable by the State and under the Constitution and laws of the State, INCLUDING THOSE SALARIES AND BENEFITS COMMITTED UNDER EACH MEMORANDUM OF UNDERSTANDING COVERING STATE EMPLOYEES; (f) for the establishment and maintenance throughout the State of a thorough and efficient system of public schools in conformity with Article 8 of the Constitution and with the laws of the State; and (g) for such other purposes as are set forth in the Constitution or laws of the State.

(5) The Governor shall deliver to the presiding officer of each House the Budget and a bill for all the proposed appropriations of the Budget classified and in such form and detail as he shall determine or as may be prescribed by law; and the presiding officer of each House shall promptly cause said bill to be introduced therein, and such bill shall be known as the “Budget Bill.” The Governor may, with the consent of the General Assembly, before final action thereon by the General Assembly, amend or supplement said Budget to correct an oversight, provide funds contingent on passage of pending legislation or, in case of an emergency, by delivering such an amendment or supplement to the presiding officers of both Houses; and such amendment or supplement shall thereby become a part of said Budget Bill as an addition to the items of said bill or as a modification of or a substitute for any item of said bill such amendment or supplement may affect.

(5a) The Budget and the Budget Bill as submitted by the Governor to the General Assembly shall have a figure for the total of all proposed appropriations and a figure for the total of all estimated revenues available to pay the appropriations, and the figure for total proposed appropriations shall not exceed the figure for total estimated revenues. Neither the Governor in submitting an amendment or supplement to the Budget Bill nor the General Assembly in amending the Budget Bill shall thereby cause the figure for total proposed appropriations to exceed the figure for total estimated revenues, including any revisions, and in the Budget Bill as enacted the figure for total estimated revenues always shall be equal to or exceed the figure for total appropriations.

(6) The General Assembly shall not amend the Budget Bill so as to affect either the obligations of the State under Section 34 of Article III of the Constitution, or the provisions made by the laws of the State for the establishment and maintenance of a system
of public schools or the payment of any salaries required to be paid by the State of Maryland by the Constitution.

(6a) In enacting a balanced Budget Bill each fiscal year as required under this Section, the General Assembly may amend the bill by increasing or diminishing the items therein relating to the General Assembly, and by increasing or diminishing the items therein relating to the judiciary, but except as hereinbefore specified, may not alter the bill except to strike out or reduce items therein, provided, however, that the salary or compensation of any public officer may not be decreased during the public officer’s term of office. When passed by both Houses, the Budget Bill shall be presented to the Governor for approval or disapproval according to Section 17 of Article II of this Constitution.

(6b) In enacting a balanced Budget Bill as required under this Section for fiscal year 2024 and each fiscal year thereafter, the General Assembly may amend the bill by increasing, diminishing, or adding items therein relating to the General Assembly, by increasing, diminishing, or adding items therein relating to the judiciary, and by increasing, diminishing, or adding items relating to the Executive Department, provided that the total of the appropriation for the Executive Department approved by the General Assembly does not exceed the total proposed appropriation for the Executive Department submitted by the Governor. The salary or compensation of any public officer may not be decreased during the public officer’s term of office. When passed by both Houses, the Budget Bill shall be a law immediately without further action by the Governor.

(7) The Governor and such representatives of the executive departments, boards, officers and commissions of the State expending or applying for State’s moneys, as have been designated by the Governor for this purpose, shall have the right, and when requested by either House of the General Assembly, it shall be their duty to appear and be heard with respect to any Budget Bill during the consideration thereof, and to answer inquiries relative thereto.

(8) Supplementary Appropriation Bill. Either House may consider other appropriations but both Houses shall not finally act upon such appropriations until after the Budget Bill has been finally acted upon by both Houses, and no such other appropriation shall be valid except in accordance with the provisions following: (a) Every such appropriation shall be embodied in a separate bill limited to some single work, object or purpose therein stated and called herein a Supplementary Appropriation Bill; (b) Each Supplementary Appropriation Bill shall provide the revenue necessary to pay the appropriation thereby made by a tax, direct or indirect, to be levied and collected as shall be directed in said bill; (c) No Supplementary Appropriation Bill shall become a law unless it be passed in each House by a vote of a majority of the whole number of the members elected, and the yeas and nays recorded on its final passage; (d) Each Supplementary Appropriation Bill shall be presented to the Governor of the State as provided in Section 17 of Article 2 of the Constitution and thereafter all the provisions of said section shall apply.

(9) Nothing in this section shall be construed as preventing the General Assembly from passing at any time, in accordance with the provisions of Section 28 of Article 3 of the
Constitution and subject to the Governor's power of approval as provided in Section 17 of Article 2 of the Constitution, an appropriation bill to provide for the payment of any obligation of the State within the protection of Section 10 of Article 1 of the Constitution of the United States.

(10) If the Budget Bill shall not have been finally acted upon by the Legislature seven days before the expiration of the regular session, the Governor shall issue a proclamation extending the session for some further period as may, in his judgment, be necessary for the passage of such bill; but no matter other than such bill shall be considered during such extended session except a provision for the cost thereof.

(11) For the purpose of making up the Budget, the Governor shall require from the proper State officials (including all executive departments, all executive and administrative offices, bureaus, boards, commissions and agencies that expend or supervise the expenditure of, and all institutions applying, for State moneys and appropriations) such itemized estimates and other information, in such form and at such times as directed by the Governor. An estimate for a program required to be funded by a law which will be in effect during the fiscal year covered by the Budget and which was enacted before July 1 of the fiscal year prior to that date shall provide a level of funding not less than that prescribed in the law. The estimates for the Legislative Department, certified by the presiding officer of each House, of the Judiciary, as provided by law, certified by the Chief Judge of the Court of Appeals, and for the public schools, as provided by law, shall be transmitted to the Governor, in such form and at such times as directed by the Governor, and shall be included in the Budget without revision.

(12) The Governor may provide for public hearings on all estimates and may require the attendance at such hearings of representatives of all agencies, and for all institutions applying for State moneys. After such public hearings he may, in his discretion, revise all estimates except those for the legislative and judiciary departments, and for the public schools, as provided by law, and except that he may not reduce an estimate for a program below a level of funding prescribed by a law which will be in effect during the fiscal year covered by the Budget, and which was enacted before July 1 of the fiscal year prior thereto.

(13) The General Assembly may, from time to time, enact such laws not inconsistent with this section, as may be necessary and proper to carry out its provisions.

(14) In the event of any inconsistency between any of the provisions of this Section and any of the other provisions of the Constitution, the provisions of this Section shall prevail. But nothing herein shall in any manner affect the provisions of Section 34 of Article 3 of the Constitution or of any laws heretofore or hereafter passed in pursuance thereof, or be construed as preventing the Governor from calling extraordinary sessions of the General Assembly, as provided by Section 16 of Article 2, or as preventing the General Assembly at such extraordinary [extraordinary] sessions from considering any emergency appropriation or appropriations.

(15) If any item of any appropriation bill passed under the provisions of this
Section shall be held invalid upon any ground, such invalidity shall not affect the legality of the bill or of any other item of such bill or bills.

SECTION 3. AND BE IT FURTHER ENACTED, That the General Assembly determines that the amendment to the Maryland Constitution proposed by Section 2 of this Act affects multiple jurisdictions and that the provisions of Article XIV, § 1 of the Maryland Constitution concerning local approval of constitutional amendments do not apply.

SECTION 4. AND BE IT FURTHER ENACTED, That:

(a) The amendment to the Maryland Constitution proposed by Section 2 of this Act shall be submitted to the qualified voters of the State at the next general election to be held in November 2022 for adoption or rejection pursuant to Article XIV of the Maryland Constitution.

(b) (1) At that general election, the vote on the proposed amendment to the Constitution shall be by ballot, and on each ballot there shall be printed the words “For the Constitutional Amendment” and “Against the Constitutional Amendment”, as now provided by law.

(2) At that general election, a question substantially similar to the following shall be submitted to the qualified voters of the State:

“Question ___ – Constitutional Amendment

Providing that each budget shall include expenditures necessary to implement wages, hours, fringe benefits, pension benefits, health benefits, and other terms and conditions of employment for State employees concluded in each memorandum of understanding covering State employees.”

(c) Immediately after the election, all returns shall be made to the Governor of the vote for and against the proposed amendment, as directed by Article XIV of the Maryland Constitution, and further proceedings had in accordance with Article XIV.

SECTION 5. AND BE IT FURTHER ENACTED, That, except as provided in Section 4 of this Act, this Act shall take effect July 1, 2022.
