1 income derived therefrom from all State, county, municipal, and other taxation in
2 the State of Maryland; providing that nothing in this Act shall prevent the County
3 from authorizing the issuance and sale of bonds the interest on which is not
4 excludable from gross income for federal income tax purposes; and generally relating
5 to the issuance and sale of such bonds.

6 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
7 That, as used herein, the term “County” means the body politic and corporate of the State
8 of Maryland known as the County Commissioners of Calvert County, and the term
9 “construction, improvement, or development of public facilities” means the acquisition,
10 alteration, construction, reconstruction, enlargement, equipping, expansion, extension,
11 improvement, rehabilitation, renovation, upgrading, and repair of public buildings, roads,
12 and facilities, including but not limited to Calvert Pines Senior Center Renovations, Breezy
13 Shoreline Restoration, Lower Marlboro Culvert, existing storm drainage systems around
14 the county, and the West Prince Frederick Water Storage Tank, and issuance costs together
15 with the costs of acquiring land or interests in land as well as any related architectural,
16 financial, legal, planning, or engineering services.

17 SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby
18 authorized to finance any part or all of the costs of the public facilities described in Section
19 1 of this Act, and to borrow money and incur indebtedness for that purpose, at one time or
20 from time to time, in an amount not exceeding, in the aggregate, ~~\$13,183,000~~ \$28,183,000
21 and to evidence such borrowing by the issuance and sale upon its full faith and credit of
22 general obligation bonds in like par amount, which may be issued at one time or from time
23 to time, in one or more groups or series, as the County may determine.

24 SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued in
25 accordance with a resolution of the County, which shall describe generally the construction,
26 improvement, or development of public facilities for which the proceeds of the bond sale are
27 intended and the amount needed for those purposes. The County shall have and is hereby
28 granted full and complete authority and discretion in the resolution to fix and determine
29 with respect to the bonds of any issue: the designation, date of issue, denomination or
30 denominations, form or forms, and tenor of the bonds which, without limitation, may be
31 issued in registered form within the meaning of § 19–204 of the Local Government Article
32 of the Annotated Code of Maryland, as amended; the rate or rates of interest payable
33 thereon, or the method of determining the same, which may include a variable rate; the
34 date or dates and amount or amounts of maturity, which need not be in equal par amounts
35 or in consecutive annual installments, provided only that no bond of any issue shall mature
36 later than 30 years from the date of its issue; the manner of selling the bonds, which may
37 be at either public or private sale, for such price or prices as may be determined to be for
38 the best interests of Calvert County; the manner of executing and sealing the bonds, which
39 may be by facsimile; the terms and conditions, if any, under which bonds may be tendered
40 for payment or purchase prior to their stated maturity; the terms or conditions, if any,
41 under which bonds may or shall be redeemed prior to their stated maturity; the place or
42 places of payment of the principal of and the interest on the bonds, which may be at any
43 bank or trust company within or without the State of Maryland; covenants relating to
44 compliance with applicable requirements of federal income tax law, including (without

1 limitation) covenants regarding the payment of rebate or penalties in lieu of rebate;
2 covenants relating to compliance with applicable requirements of federal or state securities
3 laws; and generally all matters incident to the terms, conditions, issuance, sale, and
4 delivery thereof.

5 The bonds may be made redeemable before maturity, at the option of the County, at
6 such price or prices and under such terms and conditions as may be fixed by the County
7 prior to the issuance of the bonds, either in the resolution or in a bond order pursuant to
8 the bond resolution. The bonds may be issued in registered form and provision may be made
9 for the registration of the principal only. In case any officer whose signature appears on
10 any bond ceases to be such officer before the delivery thereof, such signature shall
11 nevertheless be valid and sufficient for all purposes as if he had remained in office until
12 such delivery. The bonds and the issuance and sale thereof shall be exempt from the
13 provisions of §§ 19–205 and 19–206 of the Local Government Article of the Annotated Code
14 of Maryland, as amended.

15 The County may enter into agreements with agents, banks, fiduciaries, insurers, or
16 others for the purpose of enhancing the marketability of any security for the bonds and for
17 the purpose of securing any tender option that may be granted to holders of the bonds, all
18 as may be determined and presented in the aforesaid resolution, which may (but need not)
19 state as security for the performance by the County of any monetary obligations under such
20 agreements the same security given by the County to bondholders for the performance by
21 the County of its monetary obligations under the bonds.

22 If the County determines in the resolution to offer any of the bonds by solicitation of
23 competitive bids at public sale, the resolution shall fix the terms and conditions of the public
24 sale and shall adopt a form of notice of sale, which shall outline the terms and conditions,
25 and a form of advertisement, which shall be published in one or more daily or weekly
26 newspapers having a general circulation in the County and which may also be published in
27 one or more journals having a circulation primarily among banks and investment bankers.
28 At least one publication of the advertisement shall be made not less than 10 days before
29 the sale of the bonds.

30 Upon delivery of any bonds to the purchaser or purchasers, payment therefor shall
31 be made to the Treasurer of Calvert County or such other official of Calvert County as may
32 be designated to receive such payment in a resolution passed by the County before such
33 delivery.

34 SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the sale
35 of bonds shall be used and applied exclusively and solely for the acquisition, construction,
36 improvement, or development of public facilities for which the bonds are sold. If the
37 amounts borrowed shall prove inadequate to finance the projects described in the
38 resolution, the County may issue additional bonds with the limitations hereof for the
39 purpose of evidencing the borrowing of additional funds for such financing, provided the
40 resolution authorizing the sale of additional bonds shall so recite, but if the net proceeds of
41 the sale of any issue of bonds exceed the amount needed to finance the projects described
42 in the resolution, the excess funds so borrowed and not expended shall be applied to the

1 payment of the next principal maturity of the bonds or to the redemption of any part of the
2 bonds which have been made redeemable or to the purchase and cancellation of bonds,
3 unless the County shall adopt a resolution allocating the excess funds to the acquisition,
4 construction, improvement, or development of other public facilities, as defined and within
5 the limits set forth in this Act.

6 SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby authorized
7 shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit
8 and unlimited taxing power of the County to the payment of the maturing principal of and
9 interest on the bonds as and when they become payable. In each and every fiscal year that
10 any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem
11 taxes upon all the assessable property within the corporate limits of the County in rate and
12 amount sufficient to provide for or assure the payment, when due, of the principal of and
13 interest on all the bonds maturing in each such fiscal year and, in the event the proceeds
14 from the taxes so levied in any such fiscal year shall prove inadequate for such payment,
15 additional taxes shall be levied in the succeeding fiscal year to make up any such deficiency.
16 The County may apply to the payment of the principal of and interest on any bonds issued
17 hereunder any funds received by it from the State of Maryland, the United States of
18 America, any agency or instrumentality thereof, or from any other source, if such funds are
19 granted for the purpose of assisting the County in financing the acquisition, construction,
20 improvement, or development of the public facilities defined in this Act and, to the extent
21 of any such funds received or receivable in any fiscal year, the taxes that are required to be
22 levied may be reduced accordingly.

23 SECTION 6. AND BE IT FURTHER ENACTED, That the County is further
24 authorized and empowered, at any time and from time to time, to issue its bonds in the
25 manner hereinabove described for the purpose of refunding, by payment at maturity or
26 upon purchase or redemption, any bonds issued hereunder. The validity of any such
27 refunding bonds shall in no way be dependent upon or related to the validity or invalidity
28 of the obligations so refunded. The powers herein granted with respect to the issuance of
29 bonds shall be applicable to the issuance of refunding bonds. Such refunding bonds may be
30 issued by the County in such an amount as shall be necessary for the purpose of providing
31 it with funds to pay any of its outstanding bonds issued hereunder at maturity, for the
32 purpose of providing it with funds to purchase in the open market any of its outstanding
33 bonds issued hereunder, prior to the maturity thereof, or for the purpose of providing it
34 with funds for the redemption prior to maturity of any outstanding bonds issued hereunder
35 which are, by their terms, redeemable, for the purpose of providing it with funds to pay
36 interest on any outstanding bonds issued hereunder prior to their payment at maturity of
37 purchase or redemption in advance of maturity, or for the purpose of providing it with funds
38 to pay any redemption or purchase premium in connection with the refunding of any of its
39 outstanding bonds issued hereunder. The proceeds of the sale of any such refunding bonds
40 shall be segregated and set apart by the County as a separate trust fund to be used solely
41 for the purpose of paying the purchase or redemption prices of the bonds to be refunded.

42 SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to the
43 preparation of definitive bonds, issue interim certificates or temporary bonds, exchangeable
44 for definitive bonds when such bonds have been executed and are available for such

1 delivery, provided, however, that any such interim certificates or temporary bonds shall be
2 issued in all respects subject to the restrictions and requirements set forth in this Act. The
3 County may, by appropriate resolution, provide for the replacement of any bonds issued
4 hereunder which shall have become mutilated or lost or destroyed upon such conditions
5 and after receiving such indemnity as the County may require.

6 SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations issued
7 pursuant to the authority of this Act, their transfer, the interest payable thereon, and any
8 income derived therefrom in the hands of the holders thereof from time to time (including
9 any profit made in the sale thereof) shall be and are hereby declared to be at all times
10 exempt from State, county, municipal, or other taxation of every kind and nature
11 whatsoever within the State of Maryland. Nothing in this Act shall prevent the County
12 from authorizing the issuance and sale of bonds the interest on which is not excludable
13 from gross income for federal income tax purposes.

14 SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow
15 money and issue bonds conferred on the County by this Act shall be deemed to provide an
16 additional and alternative authority for borrowing money and shall be regarded as
17 supplemental and additional to powers conferred upon the County by other laws and shall
18 not be regarded as in derogation of any power now existing; and all Acts of the General
19 Assembly of Maryland heretofore passed authorizing the County to borrow money are
20 hereby continued to the extent that the powers contained in such Acts have not been
21 exercised, and nothing contained in this Act may be construed to impair, in any way, the
22 validity of any bonds that may have been issued by the County under the authority of any
23 said Acts, and the validity of the bonds is hereby ratified, confirmed, and approved. This
24 Act, being necessary for the welfare of the inhabitants of Calvert County, shall be liberally
25 construed to effect the purposes hereof. All Acts and parts of Acts inconsistent with the
26 provisions of this Act are hereby repealed to the extent of such inconsistency.

27 SECTION 10. AND BE IT FURTHER ENACTED, That this Act shall take effect
28 June 1, 2022.

Speaker of the House of Delegates.

President of the Senate.
