Following an election, each local board shall meet at its designated counting center to canvass the absentee ballots cast in that election in accordance with the regulations and guidelines established by the State Board.

(a) A local board may not open any envelope of an absentee ballot prior to 8 a.m. on the Wednesday following election day.

(b) (1) A local board may not delay the commencement of the canvass to await the receipt of late-arriving, timely absentee ballots.

(c) (1) An absentee ballot that is received after the deadline specified by the regulations and guidelines may not be counted.

(d) (1) The State Board shall adopt regulations that reflect the policy that the clarity of the intent of the voter is the overriding consideration in determining the validity of an absentee ballot or the vote cast in a particular contest.

(2) A local board may not reject an absentee ballot except by unanimous vote and in accordance with regulations of the State Board.

(3) The local board shall reject an absentee ballot if:

(i) the voter failed to sign the oath on the ballot envelope and returned it as provided in § 9–310.2 of this article;

(6) If an absentee voter casts a vote for an individual who has ceased to be a candidate, the vote for that candidate may not be counted, but that vote does not invalidate the remainder of the ballot.
