communications, each health practitioner, police officer, educator, or human service worker, acting in a professional capacity in this State:

(1) who has reason to believe that a child has been subjected to abuse or neglect, shall notify the local department or the appropriate law enforcement agency; and

(2) if acting as a staff member of a hospital, public health agency, child care institution, juvenile detention center, school, or similar institution, shall immediately notify and give all information required by this section to the head of the institution or the designee of the head.

(b) (1) An individual who notifies the appropriate authorities under subsection (a) of this section shall make:

(i) an oral report, by telephone or direct communication, as soon as possible to the local department or appropriate law enforcement agency; and

(ii) a written report:

1. to the local department not later than 48 hours after the contact, examination, attention, or treatment that caused the individual to believe that the child had been subjected to abuse or neglect; and

2. with a copy to the local State’s Attorney.

(2) (i) An agency to which an oral report of suspected abuse or neglect is made under paragraph (1) of this subsection shall immediately notify the other agency.

(ii) This paragraph does not prohibit a local department and an appropriate law enforcement agency from agreeing to cooperative arrangements.

(c) Insofar as is reasonably possible, an individual who makes a report under this section shall include in the report the following information:

(1) the name, age, and home address of the child;

(2) the name and home address of the child’s parent or other person who is responsible for the child’s care;

(3) the whereabouts of the child;

(4) the nature and extent of the abuse or neglect of the child, including any evidence or information available to the reporter concerning possible previous instances of abuse or neglect; and

(5) any other information that would help to determine:
(i) the cause of the suspected abuse or neglect; and

(ii) the identity of any individual responsible for the abuse or neglect.

1–227.

(A) (1) In this section the following words have the meanings indicated.

(2) “Board” means any board authorized under this article to take action against an applicant, a licensee, a certificate holder, a registrant, or a permit holder who knowingly fails to report suspected child abuse in violation of § 5–704 of the Family Law Article.

(3) “Health care professional” means any applicant, licensee, certificate holder, registrant, or permit holder governed by a board.

(B) The Department shall provide to each board a list of generally recommended courses on:

(1) the obligation to report abuse and neglect as required by § 5–704 of the Family Law Article; and

(2) the identification of abused and neglected children.

(C) (1) This subsection does not apply to a board that requires a licensee, a certificate holder, a registrant, or a permit holder to obtain continuing education on the identification and reporting of abused and neglected children.

(2) Each board shall:

(I) Post the information required for a prospective student to enroll for one or more of the recommended courses provided to the board under subsection (B) of this section prominently on the board’s website;

(II) Provide information about the recommended courses to health care professionals at the time of renewal of licensure; or

(III) Advertise the availability of the recommended
COURSES IN THE NEWSLETTERS AND ANY OTHER MEDIA PUBLISHED BY THE BOARD.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 2022.
