3. Use instruction methods that are:
   1. Developmentally appropriate; and
   2. Culturally and linguistically responsive;

4. Individualized accommodations and supports for all students;

5. Instructional staff salaries and benefits that are comparable to the salaries and benefits of instructional staff employed by the county board of the county in which the early learning program is located;

6. Program evaluation to ensure continuous program improvement;

7. On–site or accessible comprehensive services for students;

8. Community partnerships that promote access to comprehensive services for families of students; and

(2) If an eligible prekindergarten provider is a Montessori school or Montessori program, the eligible prekindergarten provider shall include the structural elements listed in paragraph (1) of this subsection, except:

1. Instead of meeting the staff qualifications listed in paragraph (1)(i) of this subsection, the prekindergarten provider shall include teachers who are certified by:

   1. The Association Montessori Internationale, USA;
   2. The American Montessori Society; or
   3. The Montessori Accreditation Council for Teacher Education;
(II) Instead of meeting the student–to–classroom personnel ratio listed in paragraph (1)(III) of this subsection, the prekindergarten provider shall maintain a student–to–classroom personnel ratio of not more than 10 to 1 for students under the age of 5 years and no more than 15 to 1 for students who are at least 5 years old; and

(III) Instead of meeting the classroom size listed in paragraph (1)(IV) of this subsection, the prekindergarten provider shall maintain a student–to–classroom area ratio of 1 to 35 square feet for students under the age of 5 years and 1 to 25 square feet for students who are at least 5 years old.

7–210.

(a) Beginning in the 2022–2023 school year, a racially and culturally unbiased state-wide kindergarten assessment that is administered with the purpose of measuring school readiness to be used for diagnostic purposes, curriculum development, and early detection of learning challenges shall be given to all incoming kindergarten students in the State and:

(1) May include an evaluation of:

(i) Language and literacy skills;

(ii) Academic knowledge in mathematics, science, and social studies;

(iii) Physical development; and

(iv) Social development; and

(2) Shall be completed on or before October 10 with the aggregate results returned within 45 days after administration of the assessment.

(b) (1) Except as provided in paragraph (2) of this subsection, a statewide kindergarten assessment may not be administered to an enrolled prekindergarten student.

(2) A statewide kindergarten assessment or early learning assessment may be administered to an enrolled prekindergarten student by a school psychologist or other school–based professional who intends to use the results in order to identify a disability.

(d) (1) Before administering the early learning assessment, a county board shall consult with kindergarten teachers, including teachers nominated by the exclusive bargaining representative, in determining how to implement the assessment.

(2) A county board may consult with a Montessori teacher
IN DETERMINING HOW TO IMPLEMENT THE ASSESSMENT.

AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 2022.
