7 (A) Frederick County Adult Detention Center Phase IV Medical
 8 Addition. Provide a grant to Frederick County, Maryland, to
 9 complete construction of a new medical unit at the Frederick
 10 County Adult Detention Center, subject to the requirement
 11 that the grantee provide an equal and matching fund for this
 12 purpose (Frederick County) 2,576,000

13 (4) An annual tax is imposed on all assessable property in the State in rate and
 14 amount sufficient to pay the principal of and interest on the bonds, as and when due and
 15 until paid in full. The principal shall be discharged within 15 years after the date of issue
 16 of the bonds.

17 (5) (a) Prior to the payment of any matching grant funds under the provisions
 18 of Section 1(3) Items ZA00 through ZB02 of this Act, grantees shall provide and expend
 19 matching funds as specified. No part of a grantee’s matching fund may be provided, either
 20 directly or indirectly, from funds of the State, whether appropriated or unappropriated.
 21 Except as otherwise provided, no part of the fund may consist of real property, in kind
 22 contributions, or funds expended prior to the effective date of this Act. In case of any dispute
 23 as to what money or assets may qualify as matching funds, the Board of Public Works shall
 24 determine the matter, and the Board’s decision is final. Grantees have until June 1, 2024,
 25 to present evidence satisfactory to the Board of Public Works that the matching fund will
 26 be provided. If satisfactory evidence is presented, the Board shall certify this fact to the
 27 State Treasurer and the proceeds of the loan shall be expended for the purposes provided in
 28 this Act. If this evidence is not presented by June 1, 2024, the proceeds of the loan shall be
 29 applied to the purposes authorized in § 8–129 of the State Finance and Procurement Article.

30 (b) It is further provided that when an equal and matching fund is specified
 31 in Section 1(3) Items ZA00 through ZB02 of this Act, grantees shall provide a matching fund
 32 equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the
 33 matching fund certified by the Board of Public Works. If satisfactory evidence is presented,
 34 the Board shall certify this fact and the amount of the matching fund to the State Treasurer
 35 and the proceeds of the loan equal to the amount of the matching fund shall be expended for
 36 the purposes provided in this Act. If this evidence is not presented by June 1, 2024, the
 37 proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State
 38 Finance and Procurement Article. The proceeds of any amount of the loan in excess of the
 39 matching fund certified by the Board of Public Works shall also be applied to the purposes
 40 authorized in § 8–129 of the State Finance and Procurement Article.

41 (6) (a) Prior to approval by the Board of Public Works of an expenditure of bond

1 proceeds authorized under Section 1(3) Items ZA00 through ZB02 of this Act, the grantee
2 shall grant and convey to the Maryland Historical Trust a historic preservation easement
3 on the property where the capital project assisted by the bond proceeds is located if the
4 Director of the Trust determines that the capital project impacts real property that is
5 individually listed in, or eligible for individual listing in, the Maryland Register of Historic
6 Properties, unless the Director of the Trust also determines that the real property:

7 (i) Is a type that is already adequately represented among the
8 Trust's existing easement properties;

9 (ii) Is already subject to adequate protections of historic preservation
10 law or instrument; or

11 (iii) Has conditions peculiar to it that make requiring an easement
12 impractical.

13 (b) If the grantee holds a lease on the property, the Trust may accept an
14 easement on the leasehold interest.

15 (c) The easement must be in form, substance, and duration acceptable to
16 the Director of the Trust.

17 (d) (i) A recipient may administratively appeal to the Maryland
18 Historical Trust Board of Trustees a determination made by the Director of the Trust under
19 subparagraph (a) of this paragraph.

20 (ii) The decision made by the Maryland Historical Trust Board of
21 Trustees on an appeal is final and is not subject to further administrative appeal or judicial
22 review.

23 (7) The proceeds of the loan must be expended or encumbered by the Board of
24 Public Works for the purposes provided in this Act no later than June 1, 2029. If any funds
25 authorized by this Act remain unexpended or unencumbered after June 1, 2029, the amount
26 of the unexpended or unencumbered authorization shall be canceled and be of no further
27 force and effect. If bonds have been issued for the loan, the amount of unexpended or
28 unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State
29 Finance and Procurement Article.

30 (8) Multiple grants provided to the same organization in this Section are in
31 addition to one another. Unless otherwise provided, any matching fund requirements apply
32 to each individual grant.

33 (9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of
34 Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02 of
35 this Act, notwithstanding technical differences in:

36 (i) The name of the grantee or the description of the project, provided

1 that the proposed use of funds is consistent with the public purpose of the original
2 appropriation; or

3 (ii) The location of the project, ~~provided that the proposed location is~~
4 ~~within the county specified in the original appropriation.~~

5 (b) The Department of Budget and Management shall notify the Office of
6 Policy Analysis within the Department of Legislative Services in writing of:

7 (i) The technical differences between an appropriation in Section
8 1(3) Items ZA00 through ZB02 of this Act and the proposed use of the funds; and

9 (ii) The justification that the proposed use of the funds is consistent
10 with the public purpose of the appropriation.

11 (c) (i) The Office of Policy Analysis shall have 45 days to review and
12 comment on the proposed use of the funds.

13 (ii) If the Office of Policy Analysis does not submit written objections
14 within 45 days, the Department of Budget and Management shall provide certification in
15 writing to the Board of Public Works that the proposed use of funds may be approved
16 notwithstanding technical differences in the appropriation in Section 1(3) Items ZA00
17 through ZB02 of this Act.

18 (10) Notwithstanding §§ 8–125(e) and 8–132 of the State Finance and Procurement
19 Article, the State Treasurer shall determine the amount of premium from the sale of bonds
20 in fiscal years 2022 and 2023 to be transferred to the Annuity Bond Fund. Upon each
21 issuance of State bonds in fiscal years 2022 and 2023, the Treasurer shall notify the
22 Comptroller of the Treasurer's determination and the Comptroller shall credit the premium
23 accordingly. Premium from the sale of bonds in fiscal years 2022 and 2023 that is not
24 transferred to the Annuity Bond Fund may, upon approval of the Board of Public Works, be
25 expended by the Comptroller for any of the public purposes set forth in Section 1(3) of this
26 Act, including any applicable architects' and engineers' fees.

27 (11) Notwithstanding § 8–122.1 of the State Finance and Procurement Article, the
28 principal amount of any loan authorized under this Act shall be reduced by the cash
29 proceeds, excluding any accrued interest, received for the State bonds and allocated by the
30 Comptroller to the loan.
