(iii) If a county provides for a refundable county earned income credit under this paragraph, a resident may claim a refund of the amount, if any, by which the
product of multiplying the credit allowable for the taxable year under § 32 of the Internal Revenue Code or that would have been allowable but for the limitation under § 32(m) of the Internal Revenue Code by 5 times the county income tax rate for the taxable year exceeds the county income tax for the taxable year.

(iv) The amount of any refunds payable under a refundable county earned income credit operates to reduce the income tax revenue from individuals attributable to the county income tax for that county.

(e) (1) Subject to paragraph (2) of this subsection, for an individual who is a resident of the State for only a part of the year, the amount of the credit or refund allowed under this section shall be determined based on the part of the earned income credit allowable for the taxable year under § 32 of the Internal Revenue Code that is attributable to Maryland, determined by multiplying the federal earned income credit by a fraction:
