Preamble

WHEREAS, The Declaration of Independence states, “We hold these truths to be self–evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life... That to secure these rights, Governments are instituted among Men ...” and government has a duty to protect and defend the right to life that is the natural right of all human beings; and

WHEREAS, To secure the natural right to life of all human persons, government must recognize the right to life of all human persons, without discrimination because of age, race, religion, size, sex, color, ancestry, location, disability, deformity, stage of development, life expectancy, or condition of dependency; and

WHEREAS, Article 24 of the Declaration of Rights states, “That no man ought to be taken or imprisoned or disseized of his freehold, liberties or privileges, or outlawed, or exiled, or, in any manner, destroyed, or deprived of his life, liberty or property, but by the judgment of his peers, or by the Law of the land;”; and

WHEREAS, Article 8 of the Declaration of Rights states “the Legislative, Executive, and Judicial powers of Government ought to be forever separate and distinct from each other, and no person exercising the functions of one of said Departments shall assume or discharge the duties of any other;”; and

WHEREAS, The enactment of State law protecting the right to life of all human persons is the constitutional responsibility of the legislative branch, not the judicial branch; and

WHEREAS, The right to equal protection under the law, which is guaranteed to all human persons by the United States Constitution and the Maryland Constitution, is vested in each human being within the jurisdiction of the State; and

WHEREAS, Any statute, regulation, rule, or order that has the purpose, intent, or effect of allowing any abortion in the State infringes on an unborn human person’s right to
life in violation of the Fourteenth Amendment to the United States Constitution and, therefore, is not made in pursuance of the United States Constitution as is required in Article 6, Section 2: “This Constitution, and the Laws of the United States which shall be made in Pursuance thereof;... and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding;”; and
