The license shall be displayed conspicuously at the location from which the business of the licensee is conducted.

The Administration shall:

(1) Establish qualifications for the safe operation of the various classes, types, sizes, or combinations of vehicles; and

(2) Examine each applicant to determine the applicant’s qualifications for the license class applied for.

Except as otherwise provided in this title, the Administration shall examine each applicant for an original driver’s license or for a class of driver’s license higher than that which the applicant currently holds.

The examination shall include:

(iii) Knowledge of the traffic laws of this State and safe driving practices;
(2) A demonstration of the applicant’s ability to exercise reasonable control in driving a motor vehicle; and

(3) Any other additional physical or mental examination that the Administration considers necessary to determine an applicant’s fitness to drive a motor vehicle safely.

(d) If an applicant is qualified to take the required examinations for the license applied for, the applicant shall appear in person for examination at any one of the places in this State that the Administration has designated for this purpose.

(e) (1) (i) Subject to subparagraph (ii) of this paragraph, for a required driver skills examination or driver road examination, each applicant shall provide a motor vehicle of a type appropriate to test the applicant’s ability to drive all vehicles that may be driven under the license class applied for.

(2) Except as provided in paragraphs (3) and (4) of this subsection, when the holder of a learner’s instructional permit appears for the driving test, the permit holder shall be accompanied by an individual qualified under § 16–105 of this subtitle to accompany the holder of a learner’s permit while driving on a highway. That individual shall have his driver’s license with him.

(4) The holder of a learner’s instructional permit may be driven to the examination station and to the starting point where the examiner begins the test by any individual authorized to drive the class of vehicle in which the test is being given. That individual shall have a valid driver’s license in the individual’s possession.
