(24) The Frederick Soil Conservation District comprising the balance of Frederick County land and water area.

(b) A Baltimore City Soil Conservation District may be established and continued with boundaries corresponding to the boundaries of Baltimore City.

8–301.1.

(A) Subject to the requirements of this section, a Baltimore City Soil Conservation District may be established and continued with boundaries corresponding to the boundaries of Baltimore City.

(B) The Mayor of Baltimore City shall:

(1) Notify the Committee of the intent to establish a soil conservation district;

(2) Appoint three supervisors to the governing body of the district in accordance with § 8–302 of this subtitle; and
(3) **Submit to the Secretary of State a signed application to organize the district as:**

(I) A political subdivision of the State; and

(II) A public body corporate.

(c) **The Secretary of State shall:**

(1) Examine, file, and record the application in the book for the recording of applications for the organization of districts;

(2) Issue to the supervisors of the district, under seal of the State, a certificate of constitution of the district; and

(3) Record the certificate with the application.

8–302.

(a) The governing body of each district consists of five supervisors.

(b) (1) Each supervisor shall be interested and knowledgeable in conservation of soil, water, and related natural resources.

(2) By training and experience, each supervisor shall be qualified to perform the specialized skilled services which are required in performing the duties under this subtitle.

(c) (1) **Except as provided in paragraph (2) of this subsection, the** supervisors shall be appointed in the following manner, and consideration shall be given to representation from farming, forestry, wildlife, and urban interests where appropriate:

[(1)] (I) One district resident by the county governing body and serving at the pleasure of the county governing body.

[(2)] (II) One by the Committee from a list of three district residents submitted by the county farm bureau;

[(3)] (III) One by the Committee from a list of three district residents submitted by the county extension service; and

(iii) One by the Baltimore City House Delegation to the General Assembly.

(d) (1) The term of office of each Committee appointed member is 5 years.

(2) Each supervisor shall hold office until his successor is appointed and qualifies.

(3) Vacancies shall be filled for any unexpired term by appointments made in the same manner as for the full term.

(e) (1) The Committee, upon notice and hearing, may remove any supervisor from office for neglect of duty or malfeasance in office. [In addition]

(2) Subject to paragraph (3) of this subsection, any supervisor who, during any period of 12 consecutive months, shall fail to attend at least 50 percent of all regular meetings of the board of supervisors of the district of which he THE SUPERVISOR is an appointed member, shall be considered to have resigned and the chairman of the board of supervisors shall notify the appropriate appointing body of the resultant vacancy. [However, if]

(3) If the reasons for the supervisor’s inability to attend meetings as required in this subtitle are found by the appointing body to be satisfactory, the appointing body may reinstate the supervisor to office.

8–405.

(a) The General Assembly finds that, from fiscal year 1991 through fiscal year 1998, inadequate resources have been provided for the soil conservation districts to employ adequate field personnel to assist farmers in the preparation of soil conservation and water quality plans.
(b) It is the intent of the General Assembly to provide sufficient technical assistance and resources through the soil conservation districts to assist farmers in pursuit of soil conservation and water quality plans and other activities authorized under this title.

(c) (1) The Governor shall include in the annual budget bill an amount sufficient to employ not less than 110 field personnel in the soil conservation districts under this title.

(2) The appropriation for the [24] soil conservation districts shall be as follows:

(i) For fiscal year 2008, $8,800,000;

(ii) For fiscal year 2009, $9,200,000;
