(a) Subject to subsection (e) of this section, for each fiscal year, the Comptroller shall pay to an eligible county a grant in the amount determined under subsection (c)(3) of this section.

(b) A county may not receive a grant under subsection (a) of this section if any of the county’s income tax rates were less than 2.6%:

(1) for the taxable year that ended in the second prior fiscal year; or

(2) For each fiscal year, the Comptroller shall determine as rounded to the nearest cent:

(3) If the per capita yield of the county income tax for a county determined under paragraph (2)(i) of this subsection is less than 75% of the per capita statewide yield of the county income tax determined under paragraph (2)(ii) of this subsection, the
Comptroller shall determine the amount that would increase the county per capita yield to equal 75% of the statewide per capita yield, as rounded to the nearest dollar.

(d) The Comptroller shall pay to an eligible county the amount determined under subsection (c)(3) of this section in quarterly payments during each fiscal year.

(e) (1) Except as provided in paragraphs (2) and (3) of this subsection, for fiscal year 2011 and each subsequent fiscal year, the distribution provided to any county or Baltimore City under this section may not exceed the amount distributed to the county or Baltimore City for fiscal year 2010.

(3) (i) This paragraph applies to a county or Baltimore City if the county or Baltimore City has more than one county income tax rate.
