10. Description and Purpose of Organization
    We invest in our communities through programs that help children grow up healthy and drug-free, meet the needs of today's veterans, and improve the quality of life for residents of our community. Calvert Elks Lodge #2620 is a nonprofit organization chartered in 1980 by the Grand Lodge of the Benevolent and Protective Order of Elks to perform acts of charity in our community. We have provided support for the citizens of Calvert County through the Elks National Foundation totaling $1.1 million dollars. We actively support a drug awareness program and an Americanism program to foster patriotism in schools. We also sponsor local underprivileged youth to attend the Elks Camp Barrett summer camp and have supported local Toys for Tots and Coats for Tots efforts for many years.
11. Description and Purpose of Project (Limit length to visible area)

The capital improvements to the Elks Lodge include the total replacement of our HVAC system and are necessary to ensure the health, safety, and comfort within the building. Lack of funding over the years has forced us to repair as we go, normally through the efforts of well-intended members. Our HVAC system is antique and has been band-aided to the point of insufficient performance in heating, cooling, and dehumidification of the building. We are seeking to install high performance energy efficient equipment that will meet modern standards. Our ability under normal circumstances to be able to meet these financial requirements is challenging. The challenge of navigating COVID-19 has affected our 100% volunteer organization even more.

Round all amounts to the nearest $1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
