10. Description and Purpose of Organization (Limit length to visible area)		
The Clara Barton Memorial Committee, was formed to create a memorial to Clara Barton and to recognize the ground breaking moment where a nurse was given permission to be on the battlefield during an ongoing battle at Antietam. The memorial will recognize her service as a war nurse and as the founder of the American Red Cross.		

11. Description and Purpose of Project (Limit length to visible area)

The purpose of the memorial is to celebrate the life and contributions of renowned Civil War nurse and founder of the American Red Cross, Clara Barton. Known by many historians as the Angel of the Battlefield, the Memorial recognizes the moment where Clara Barton broke the barrier for nurses to be present on the battlefield during the course of a battle, under fire, at Antietam. The completed memorial will provide a central venue where residents and visitors learn about this pivotal figure. The memorial will consist of a heroic scale bronze depiction of Clara Barton giving aid to a fallen Union soldier. It recognizes the importance of an immediate response to care, that later inspired the mission of the American Red Cross. The Memorial will include a written narrative summarizing her contributions and will be placed at the beginning of the City of Hagerstown Cultural Trail leading the public into the Arts and Entertainment District of downtown Hagerstown.
