Analysis

Current Law: The Montgomery County Board of Education consists of seven elected members and one student member. An elected member of the board serves a four-year term. Two members are elected from the county at large; five members are elected from county board of education districts. **Appendix – Local Boards of Education Membership** shows the selection methods, terms of office, and membership of the 24 local boards of education.

All elected members of the board, regardless of residency requirements, must be elected by the voters of the entire county. Board member elections are staggered such that some

members are elected in presidential election years and others are elected in gubernatorial election years. Of the three members elected in 2020 and every four years thereafter, one must reside in district two, one must reside in district four, and one may reside in any part of the county. Of the four members elected in 2018 and every four years thereafter, one must reside in district one, one must reside in district three, one must reside in district five, and one may reside in any part of the county.

Appendix – Local Boards of Education Membership

Membership

The composition of the local boards of education varies, with members serving three- to four-year terms. Nineteen counties have elected school boards, four counties have combined appointed/elected school boards, and one school board consists of appointed members only, until the 2022 general election when it will become an appointed/elected school board. Twenty-two boards have student members but only eight boards allow student members to vote, which generally excludes collective bargaining and other personnel and budgetary decisions. **Exhibit 1** shows the selection methods, terms of office, and membership of the 24 local school boards.

¹A = Appointed by Governor, except in Baltimore City, where board is appointed by the mayor; E = Elected; and A/E = Combined appointed by Governor and elected board, except in Prince George's County. Entries for local boards that are at any point in the process of transitioning between means of selection reflect the final state the board will be in once the transition fully takes effect.

²Chapter 473 of 2017 restructured the Anne Arundel County Board of Education from a nine-member appointed board to an eight-member elected board consisting of seven elected members (one from each of the seven councilmanic districts on a nonpartisan basis) and one student member. The terms of the elected members are staggered; four members were elected at the 2018 general election and three members were elected at the 2020 general election as the terms of previously appointed board members expired. In this manner, the elected board is phased-in. The members elected in November 2018 serve a six-year term, while the members elected in 2020 serve a four-year term. Thus, beginning in 2024, all members must stand for election. An elected member of the board generally serves a four-year term beginning on the first Monday in December after the member's election and until a successor is elected and qualifies.

³Chapter 593 of 2017 repealed the role of the Governor in making appointments to the Baltimore City Board of School Commissioners; it also repealed the Governor's role in filling board vacancies and removing board members. As a result, board members are appointed solely by the Mayor of Baltimore City until the appointed/elected board established by the legislation is executed at the 2022 general election. Chapter 593 also established the Baltimore City Public School Board Community Panel (which the mayor must convene) and specified its membership. The purpose of the panel is to select nominees to be recommended to the mayor as qualified candidates for appointment to the board (including candidates for vacancies). If the mayor elects not to appoint a member or to fill a vacancy from a list submitted by the panel, the mayor must reconvene the panel to submit additional names of qualified candidates. Beginning with the 2022 general election, the board will be restructured as a hybrid board with two members elected from the city at large, nine members appointed by the mayor, and one student member. Elected members will serve a four-year term whereas appointed members will serve a three-year term.

⁴Chapters 480 and 481 of 2014 restructured the Baltimore County Board of Education from a 12-member appointed board (including 1 student member) to a 12-member board consisting of 4 at-large members appointed by the Governor, 7 nonpartisan members each elected from one of 7 councilmanic districts, and a student member. The elected members were elected at the general election in November 2018 and serve four-year terms. In addition, Chapters 480 and 481 established the Baltimore County Nominating Commission. Generally, the commission is responsible for submitting to the Governor at least two names for each vacancy on the board. The commission consists of 19 members of the county and must reflect the

diversity of the county. Except in extraordinary circumstances, the Governor must appoint members to the board of education from the list the nominating commission provides.

⁵Chapters 404 and 405 of 2021 added two new members to the Charles County Board of Education and altered the selection method for board members by requiring that eight board members be elected from the county commissioner districts (two from each of the four districts) and one board member be elected from the county at-large. Previously, the seven board members were all elected from the county at-large. All seats are subject to election in November 2022, however, the at-large member elected in November 2022 must serve for a two-year (instead of the usual four-year) term until a successor is elected to a full term in November 2024. Chapters 404 and 405 of 2021 also provided the student member with voting rights, subject to certain restrictions.

⁶Although not in statute, the Kent County Board of Education reports that there is a nonvoting student member of the board and that he or she does not attend closed sessions.

⁷Chapter 147 of 2013 altered the membership of the Prince George's County Board of Education by adding four appointed members to the existing elected board. The county executive appoints three members with certain experience requirements, and the county council appoints one member who must be a parent of a student in the county school system. If a seat held by an elected member becomes vacant, the county executive must appoint a qualified individual for the remainder of the term, with the appointment subject to rejection by a two-thirds vote of the county council.

⁸Although not in statute, the Washington County Board of Education reports that there is a student member of the board and that he or she can only concur on votes and must abstain from certain matters.

⁹Chapter 169 of 2016, subject to referendum, required the restructuring of the Wicomico County Board of Education. In the 2016 general election, the county approved a fully elected board option, with five members each elected from one of the five councilmanic districts and two members elected from the county at large. Members were elected at the general election in 2018 and serve four-year terms.
