**Analysis**

**Current Law:** In Baltimore City, unless otherwise specified, an alcoholic beverages license may generally not be transferred into the 40th, 41st, 43rd, 44th, or 45th alcoholic beverages district. In addition, the board generally may not issue a new license or approve the transfer of an existing license to a building within 300 feet of a place of worship or school.

In Baltimore City, a Class A BWL license authorizes the license holder to sell beer, wine, and liquor at retail, in a sealed package or container. The package or container may not be opened, and its contents may not be consumed on the premises where the beer, wine, or liquor is sold. The annual license fee is \$858.
