However, if unused funds appropriated for the grant remain in the custody of BPW on June 30, 2026, BPW must transfer the funds to the Board of Trustees of Historic Sotterley, Inc. and report the status of the funds to the General Assembly. By June 30 annually, BPW must report to the General Assembly on the grant. The bill takes effect June 1, 2022, and terminates June 30, 2026.

Analysis

Current Law: BPW provides miscellaneous grants to private nonprofit organizations, including the Historic Annapolis Foundation, the Maryland Zoo in Baltimore, and the Western Maryland Scenic Railroad, as provided in the annual budget. As introduced, the fiscal 2023 allowance for BPW includes $8.3 million for grants to private nonprofits, including a new grant totaling $1.8 million for the Justice Thurgood Marshall Center. Supplemental Budget No. 4 adds another $500,000 to BPW’s fiscal 2023 allowance for general fund operating grants to the West North Avenue Development Authority and the Signal 13 Foundation.

Prior-year capital budget bills have authorized State capital grants to the Board of Trustees of Historic Sotterley, Inc. for the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of Sotterley Plantation, located in St. Mary’s County. Most recently, the Maryland Consolidated Capital Bond Loans of 2020 and 2016 authorized grants of $50,000 and $100,000, respectively, subject to specified matching fund requirements. In addition, the Budget Reconciliation and Financing Act of 2015 (Chapter 489) authorized the transfer of $50,000 from the Special Fund for Preservation of Cultural Arts in Maryland as a grant to the Board of Trustees of Sotterley Plantation Museum.

State Expenditures: As discussed above, the bill mandates a total of $1.1 million in operating grant funding for Historic Sotterley, Inc. over three fiscal years ($350,000 in fiscal 2024, $375,000 in fiscal 2025, and $400,000 in fiscal 2026), to be administered by BPW. Thus, general fund expenditures for BPW increase by $350,000 in fiscal 2024, $375,000 in fiscal 2025, and $400,000 in fiscal 2026. BPW can otherwise administer the grant with existing budgeted resources.
