Preamble

WHEREAS, The Prince George's County Board of Education has transitioned between different board structures; and

WHEREAS, There is strong support across Prince George's County for an all-elected board of education and a recommendation from the County Executive's Task Force to transition toward an all-elected board; and

WHEREAS, There are unanswered questions about how to structure electoral procedures to optimize board of education outcomes and renew our focus on Prince George's County students and families; and

WHEREAS, Stakeholders across the education sector have explained that a change in the structure of the board of education alone will not serve as a solution to issues with the board; and

WHEREAS, Other issues surrounding appropriate training, oversight, and accountability measures for the board of education require further investigation and these issues will be critical to any solution the legislature considers; now, therefore,
