By: **Delegate Reznik**

Introduced and read first time: February 10, 2023

Assigned to: Health and Government Operations

A BILL ENTITLED

1 AN ACT concerning

2 **Maryland Department of Health – Office of the Chief Medical Examiner**

3 FOR the purpose of establishing the Office of the Chief Medical Examiner in the Maryland
4 Department of Health to advance forensic science and carry out other duties as
5 provided by law; renaming the State Postmortem Examiners Commission to be the
6 Postmortem Examiners Advisory Committee; establishing the duties of the
7 Committee; requiring and authorizing the Department and the Office to perform
8 certain duties and powers previously performed by the Commission; altering the type
9 and number of certain medical doctors the Office is required to employ; authorizing
10 the Department to contract with a physician for employment with the Office on a per
11 diem basis; altering the time period within which certain assistant medical
12 examiners must obtain a certain certification; requiring the Secretary of Health to
13 consult with the Committee on matters related to the employment of the Chief
14 Medical Examiner; prohibiting the Department and the Committee from interfering
15 with certain clinical findings and conclusions by the Office; prohibiting the reduction
16 of the allowance of certain individuals who are receiving a service retirement
17 allowance or vested allowance from the State Retirement and Pension System and
18 are reemployed on a contractual basis by the Department as health care
19 practitioners in the Office; and generally relating to the Office of the Chief Medical
20 Examiner.

32 transportation of the body from the site of the autopsy or examination to a location within
33 the State specified by the victim's family.

1 5-306.

2 (a) This section does not apply to Baltimore City.

3 (b) (1) [The Commission] **SUBJECT TO PARAGRAPH (2) OF THIS**
4 **SUBSECTION, THE OFFICE** may appoint one or more deputy medical examiners and
5 forensic investigators for each county.

6 (2) (I) The [Commission] **OFFICE** shall appoint a deputy medical
7 examiner for a county from a list of qualified individuals submitted to the [Commission]
8 **OFFICE** by the medical society of the county.

9 (II) The number of names on the list shall be at least twice the
10 number of vacancies. [However, if]

11 (III) **IF** a county does not have a medical society or if the medical
12 society does not submit a list of names, the [Commission] **OFFICE** may appoint a deputy
13 medical examiner for the county without a list.

14 (c) Each deputy medical examiner appointed under subsection (b) of this section
15 shall be a physician.

16 (d) If necessary, a deputy medical examiner may deputize another physician in
17 the county to act as deputy medical examiner.

18 (e) Each deputy medical examiner is entitled:

19 (1) For each medical examiner's case that the examiner investigates, to a
20 fee that is set in accordance with the State budget;

21 (2) If the examiner is called as a witness before a grand jury or in a criminal
22 case, to the fee that the court sets; and

23 (3) To any additional compensation that a county provides.

24 5-307.

25 The [Commission] **DEPARTMENT, IN CONSULTATION WITH THE COMMITTEE,**
26 may adopt rules and regulations to carry out the provisions of this subtitle.

27 [5-308.

28 (a) The power of the Secretary over plans, proposals, and projects of units in the
29 Department does not include the power to disapprove or modify any decision or
30 determination that the Commission makes under authority specifically delegated by law to
31 the Commission.

1 (b) The power of the Secretary to transfer by rule, regulation, or written directive,
2 any staff, functions, or funds of units in the Department does not apply to any staff,
3 function, or funds of the Commission.]

4 ~~[5-309.]~~ **5-308.**

5 (a) (1) A medical examiner shall investigate the death of a human being if the
6 death occurs:

7 (i) By violence;

8 (ii) By suicide;

9 (iii) By casualty;

10 (iv) Suddenly, if the deceased was in apparent good health or
11 unattended by a physician; or

12 (v) In any suspicious or unusual manner.

13 (2) A medical examiner shall investigate the death of a human fetus if:

14 (i) Regardless of the duration of the pregnancy, the death occurs
15 before the complete expulsion or extraction of the fetus from the mother; and

16 (ii) The mother is not attended by a physician at or after the delivery.

17 (b) If a medical examiner's case occurs, the police or sheriff immediately shall
18 notify the medical examiner and State's Attorney for the county where the body is found
19 and give the known facts concerning the time, place, manner, and circumstances of the
20 death.

21 (c) Immediately on notification that a medical examiner's case has occurred, the
22 medical examiner or an investigator of the medical examiner shall go to and take charge of
23 the body. The medical examiner or the investigator shall investigate fully the essential facts
24 concerning the medical cause of death and, before leaving the premises, reduce these facts
25 and the names and addresses of witnesses to writing, which shall be filed in the medical
26 examiner's office.

27 (d) The medical examiner or the investigator shall take possession of and deliver
28 to the State's Attorney or the State's Attorney's designee any object or article that, in the
29 opinion of the medical examiner or the investigator, may be useful in establishing the cause
30 of death.

1 (e) (1) If the next of kin of the deceased is not present at the investigation, the
2 police officer or sheriff at the investigation or, if a police officer or sheriff is not present, the
3 medical examiner or the investigator shall:

4 (i) Take possession of all property of value found on the body;

5 (ii) In the report of the death, make an exact inventory of the
6 property; and

7 (iii) Deliver the property to the appropriate sheriff or police
8 department.

9 (2) The sheriff or police department shall surrender the property to the
10 person who is entitled to its possession or custody.

11 (f) (1) If the case involves the unexpected death of a child, the medical
12 examiner shall notify the chairperson of the local child fatality review team for the county
13 in which the child resided.

14 (2) If the case involves the death of a child and the death is believed to be
15 caused by abuse or neglect, or there is evidence suggesting that the child was a victim of
16 abuse or neglect, the Office of the Chief Medical Examiner shall orally report the findings
17 and deliver a copy of the child's final autopsy report to the local department of social
18 services and the local law enforcement agency of the county in which the child last resided
19 in accordance with § 5-704 of the Family Law Article.

20 **[5-310.] 5-309.**

21 (a) If the cause of death is established to a reasonable degree of medical certainty,
22 the medical examiner who investigates the case shall file in the medical examiner's office
23 a report on the cause of death within 30 days after notification of the case.

24 (b) (1) If the medical examiner who investigates a medical examiner's case
25 considers an autopsy necessary, the Chief Medical Examiner, a deputy chief medical
26 examiner, an assistant medical examiner, or a pathologist authorized by the Chief Medical
27 Examiner shall perform the autopsy.

28 (2) If the family of the deceased objects to an autopsy on religious grounds,
29 the autopsy may not be performed unless authorized by the Chief Medical Examiner or by
30 the Chief Medical Examiner's designee.

31 (3) (i) In accordance with normal standards of medical practice, the
32 medical examiner performing the autopsy may retain any medical evidence, tissue, or organ
33 needed to carry out the duties of this subtitle.

1 (ii) The medical examiner shall dispose of any medical evidence,
2 tissue, or organ under subparagraph (i) of this paragraph in accordance with normal
3 standards of medical practice.

4 (c) (1) A medical examiner shall conduct an autopsy of any fire fighter and any
5 sworn personnel of the State Fire Marshal's Office who dies in the line of duty or as a result
6 of injuries sustained in the line of duty.

7 (2) The autopsy shall include:

8 (i) A toxicological analysis for toxic fumes;

9 (ii) Gross and microscopic studies of heart, lung, and any other
10 tissue involved;

11 (iii) Appropriate studies of blood and urine; and

12 (iv) Appropriate studies of body fluids and body tissues.

13 (3) If the medical examiner determines toxic fumes were the cause of death,
14 the medical examiner shall:

15 (i) Investigate to the extent possible the source of the fumes; and

16 (ii) Prepare a written report on the specific effects of the fumes on
17 human tissue.

18 (4) The autopsy and analysis shall be sufficient to determine eligibility for
19 benefits under the federal Public Safety Officers' Benefits Act of 1976.

20 (d) (1) (i) The individual who performs the autopsy shall prepare detailed
21 written findings during the progress of the autopsy.

22 (ii) The findings prepared under subparagraph (i) of this paragraph
23 and the conclusions drawn from them shall be filed in the office of the medical examiner for
24 the county where the death occurred.

25 (iii) The original copy of the findings and conclusions shall be filed in
26 the [office of the Chief Medical Examiner] OFFICE.

27 **(IV) THE DEPARTMENT AND THE COMMITTEE MAY NOT**
28 **INTERFERE WITH THE CLINICAL FINDINGS OR CONCLUSIONS PREPARED UNDER**
29 **SUBPARAGRAPHS (I) AND (II) OF THIS PARAGRAPH.**

30 (2) (i) Except in a case of a finding of homicide, a person in interest as
31 defined in § 4-101(e) of the General Provisions Article may request the medical examiner
32 to correct findings and conclusions on the cause and manner of death recorded on a

1 certificate of death under § 4–502 of the General Provisions Article within 60 days after the
2 medical examiner files those findings and conclusions.

3 (ii) 1. If the Chief Medical Examiner denies the request of a
4 person in interest to correct findings and conclusions on the cause and manner of death,
5 the person in interest may appeal the denial to the Secretary, who shall refer the matter to
6 the Office of Administrative Hearings.

7 2. A contested case hearing under this subparagraph shall be
8 a hearing both on the denial and on the establishment of the findings and conclusions on
9 the cause and manner of death.

10 (iii) The administrative law judge shall submit findings of fact to the
11 Secretary.

12 (iv) After reviewing the findings of the administrative law judge, the
13 Secretary, or the Secretary's designee, shall issue an order to:

14 1. Adopt the findings of the administrative law judge; or

15 2. Reject the findings of the administrative law judge, and
16 affirm the findings of the medical examiner.

17 (v) The appellant may appeal a rejection under subparagraph (iv)2
18 of this paragraph to a circuit court of competent jurisdiction.

19 (vi) If the final decision of the Secretary, or of the Secretary's
20 designee, or of a court of competent jurisdiction on appeal, establishes a different finding
21 or conclusion on the cause or manner of death of a deceased than that recorded on the
22 certificate of death, the medical examiner shall amend the certificate to reflect the different
23 finding or conclusion under §§ 4–212 and 4–214 of this article and § 4–502 of the General
24 Provisions Article.

25 (vii) The final decision of the Secretary, or the Secretary's designee,
26 or of a court under this paragraph may not give rise to any presumption concerning the
27 application of any provision of or the resolution of any claim concerning a policy of insurance
28 relating to the deceased.

29 (viii) If the findings of the medical examiner are upheld by the
30 Secretary, the appellant is responsible for the costs of the contested case hearing.
31 Otherwise, the Department is responsible for the costs of the hearing.

32 (e) The Chief Medical Examiner shall set a reasonable fee for performing an
33 autopsy by an authorized pathologist.

34 [5–311.] 5–310.

1 (a) (1) The Office of the Chief Medical Examiner shall keep complete records
2 on each medical examiner's case.

3 (2) The records shall be indexed properly and include:

4 (i) The name, if known, of the deceased;

5 (ii) The place where the body was found;

6 (iii) The date, cause, and manner of death; and

7 (iv) All other available information about the death.

8 (b) The original report of the medical examiner who investigates a medical
9 examiner's case and the findings and conclusions of any autopsy shall be attached to the
10 record of the medical examiner's case.

11 (c) The Chief Medical Examiner or, if the Chief Medical Examiner is absent or
12 cannot act, the Deputy Chief Medical Examiner or an assistant medical examiner, and each
13 deputy medical examiner promptly shall deliver to the State's Attorney for the county
14 where the body was found a copy of each record that relates to a death for which the medical
15 examiner considers further investigation advisable. A State's Attorney may obtain from the
16 office of a medical examiner a copy of any record or other information that the State's
17 Attorney considers necessary.

18 (d) (1) In this subsection, "record":

19 (i) Means the result of an external examination of or an autopsy on
20 a body; and

21 (ii) Does not include a statement of a witness or other individual.

22 (2) A record of the Office of the Chief Medical Examiner or any deputy
23 medical examiner, if made by the medical examiner or by anyone under the medical
24 examiner's direct supervision or control, or a certified transcript of that record, is competent
25 evidence in any court in this State of the matters and facts contained in it.

26 (e) (1) The Office of the Chief Medical Examiner shall charge a reasonable fee
27 for reports as specified in a schedule of fees defined in the regulations of the Office of the
28 Chief Medical Examiner.

29 (2) A deputy medical examiner may keep any fee collected by the deputy
30 medical examiner.

31 **[5-312.] 5-311.**

1 Subject to the limitations in [§ 5–311(c)] § 5–310(C) of this subtitle, a medical
2 examiner may administer oaths, take affidavits, and make examinations as to any matter
3 within the medical examiner’s jurisdiction.

4 **Article – State Personnel and Pensions**

5 23–407.

6 (a) In this section, “area of critical shortage” means an academic field identified
7 by the State Department of Education in accordance with the provisions of § 18–703(g)(1)
8 of the Education Article as having projected employment vacancies that substantially
9 exceed projected qualified graduates.

10 (b) Except as provided in subsection (d) of this section, an individual who is
11 receiving a service retirement allowance or a vested allowance may accept employment
12 with a participating employer on a permanent, temporary, or contractual basis, if:

13 (1) the individual immediately notifies the Board of Trustees of the
14 individual’s intention to accept this employment; and

15 (2) the individual specifies the compensation to be received.

16 (c) (1) Except as provided in § 23–408 of this subtitle, the Board of Trustees
17 shall reduce the allowance of an individual who accepts employment as provided under
18 subsection (b) of this section if:

19 (iii) the individual becomes reemployed within 12 months of
20 receiving an early service retirement allowance or an early vested allowance computed
21 under § 23–402 of this subtitle.

22 (2) (i) Except as provided in subparagraph (ii) of this paragraph and
23 subject to subparagraphs (iii) and (iv) of this paragraph, the reduction required under
24 paragraph (1) of this subsection shall equal:

25 1. the amount by which the sum of the individual’s initial
26 annual basic allowance and the individual’s annual compensation exceeds the average final
27 compensation used to compute the basic allowance; or

28 2. for a retiree who retired under the Workforce Reduction
29 Act (Chapter 353 of the Acts of 1996), the amount by which the sum of the retiree’s annual
30 compensation and the retiree’s annual basic allowance at the time of retirement, including
31 the incentive provided by the Workforce Reduction Act, exceeds the average final
32 compensation used to compute the basic allowance.

33 (ii) 1. This subparagraph applies to a retiree of the Teachers’
34 Pension System who as faculty receiving a 10–month salary, retired directly from:

HOUSE BILL 977

- 1 A. the University System of Maryland;
- 2 B. Morgan State University;
- 3 C. St. Mary's College; or
- 4 D. a community college established or operating under Title
- 5 16 of the Education Article.

6 2. The reduction required under paragraph (1) of this

7 subsection shall equal the amount by which the sum of the retiree's initial annual basic

8 allowance and the retiree's annual compensation, as calculated in subparagraph 3 of

9 this subparagraph, exceeds the average final compensation of the retiree used to compute

10 the basic allowance.

11 3. The calculation of the retiree's annual compensation in

12 subparagraph 2 of this subparagraph does not include any of the following earnings the

13 retiree received during the previous calendar year from the employer with whom the retiree

14 is reemployed:

- 15 A. bonuses;
- 16 B. overtime;
- 17 C. summer school salaries;
- 18 D. adult education salary;
- 19 E. additional temporary payments from special research
- 20 projects;
- 21 F. honorariums; and
- 22 G. vehicle stipends.

23 (iii) Any reduction taken under this subsection may not reduce the

24 retiree's allowance to an amount less than the required deduction for:

25 1. if the retiree retired from any unit of State government,

26 the retiree's monthly State-approved medical insurance premiums; or

27 2. if the retiree retired from a participating employer other

28 than the State, the approved monthly medical insurance premiums required by the

29 participating employer that employed the retiree at the time of the retiree's retirement.

1 (iv) The Board of Trustees shall recover from the retiree any
2 difference between the reduction required under subparagraph (i) of this paragraph and
3 the reduction taken under subparagraph (iii) of this paragraph.

4 (3) A reduction of an early service retirement allowance or an early vested
5 allowance under paragraph (1)(iii) of this subsection shall be applied only until the
6 individual has received an allowance for 12 months.

7 (4) Except for an individual whose allowance is subject to a reduction as
8 provided under paragraphs (1)(iii) and (3) of this subsection, the reduction of an allowance
9 under this subsection does not apply to:

10 (vi) a retiree of the Employees' Pension System who is reemployed on
11 a contractual basis by the Maryland Department of Health as a health care practitioner, as
12 defined in § 1–301 of the Health Occupations Article in:

13 1. a State residential center as defined in § 7–101 of the
14 Health – General Article;

15 2. a chronic disease center subject to Title 19, Subtitle 5 of
16 the Health – General Article;

17 3. a State facility as defined in § 10–101 of the Health –
18 General Article; [or]

19 4. a local health department subject to Title 3, Subtitle 2 of
20 the Health – General Article; **OR**

21 **5. THE OFFICE OF THE CHIEF MEDICAL EXAMINER;**

22 SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July
23 1, 2023.
