10. Description and Purpose of Organization (Limit length to visible area)		
<p>In 1919, The American Legion was founded on four pillars: Veterans Affairs & Rehabilitation, National Security, Americanism, and Children & Youth. Each of these pillars encompasses a variety of programs that benefit our nation's veterans, its service members, their families, the youth of America and ordinary citizens American Legion Post 40 of Glen Burnie provides a place for our Local Nations Heros to come daily, Veterans that suffer from PTSD, anxiety, depression and other effects due to their time in Service. We provide a safe place for these men and women to come to daily, somewhere they are not alone, and can share their stories, grab lunch/dinner and feel at home while they relate with others on real life experiences. Our members are family to each other.</p>		

11. Description and Purpose of Project (Limit length to visible area)

The building is so outdated, the roof leaks, toilets leak, stall doors are broken, rain water/snow make the area moist due to the lack of waterproofing so the smell from the carpet is hard to cover. We want to provide a better place for these Men and Women. They deserve better. We operate on donations, any revenue brought in keeps our bills paid (lights on and insurances updated). We dont have extra to update and fix these things. Our Organization is important to us, the Veterans of your Local Community and we are requesting funding thru this State Bond to provide a better, cleaner, safer place for our Nations Heros. Having our roof fixed, bathrooms updated, floor waterproofed with new carpet will provide a better atmosphere for these Men and women who come daily for this much needed fellowship with fellow Veterans.
