11. **Description and Purpose of Project** (Limit length to visible area)

The Bond Bill funds would be used as the final dollars to acquire the 20-acre park. In addition, the funds would be used to create an outdoor classroom and additional field space for the use of the community and for the students at Baltimore Polytechnic Institute and Western High School. In addition, the funds may be used for the construction and improvements to the trails, playground, bridges and other uses to build out the park.

Round all amounts to the nearest $1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
