<p>The Frederick Police Department (FPD) is a technologically innovative and progressive police agency, committed to ensuring Frederick City's exceptional quality of life. We partner with our citizens, striving to ensure satisfaction. We steadfastly believe that our commitment to provide excellent police service makes Frederick a unique and wonderful place in which citizens thrive. We demonstrate the highest respect for all citizens, treat all citizens as equal customers, and never tolerate taking another person's dignity. We understand that police power derives from the people. We expect excellence and respect in all we do.</p>

Name of Leaser	Length of Lease	Options to Renew	
26. Building Square Footage:			
Current Space GSF	65000		
Space to be Renovated GSF	65000		
New GSF	2000		

27. Year of Construction of Any Structures Proposed for Renovation, Restoration or Conversion

1991

28. Comments

Note, the solar canopy project is an exterior project and has not effect on the building square footage. This is a fully bond financed project by the City of Frederick. Any state grants will be used to offset the amount of bond financing sought by the City thus reducing debt service.

The building strives to meet LEED Silver equivalency once the project is complete. The solar canopy component is critical to meeting this sustainability goal.
