This bill establishes the Task Force on Financial Incentives for Pet-Friendly Housing. The Department of Housing and Community Development (DHCD) must provide staff for the task force. Task force members may not receive compensation but are entitled to reimbursement for expenses, as specified. The task force must report its findings and recommendations to the Governor and the General Assembly by November 1, 2024. **The bill takes effect July 1, 2023, and terminates December 31, 2024.**

Fiscal Summary

State Effect: DHCD can provide staff for the task force with existing budgeted resources. Expense reimbursements for task force members are assumed to be minimal and absorbable within existing budgeted resources. No effect on revenues.

Local Effect: None.

Small Business Effect: None.

Analysis

Bill Summary: The task force must study matters relating to pet-friendly housing, including (1) financial incentives that have potential to influence rental housing owners to create more pet-friendly housing; (2) insurance or liability structures that place burdens on the ability of landlords to offer pet-friendly housing; and (3) barriers on varied sizes and breeds that prohibit landlords from allowing pets. The task force must also make recommendations on how to financially incentivize the expansion of pet-friendly housing.

Current Law: There is no relevant State law regarding pet-friendly housing. However, Prince George’s County prohibits the ownership of pit bulls.

Among other responsibilities, DHCD provides financing for the economic development and maintenance of affordable housing and communities in Maryland. DHCD also provides funding for community revitalization projects. As introduced, the fiscal 2024 capital budget includes a mixture of general funds, special funds, and federal funds for a variety of DHCD programs that provide assistance to homebuyers and those facilitating community revitalization in Maryland.
